I Desire to Be Known as Healer and Provider

I desire to make Myself known to My Body as Healer and Provider in a richness in which I am not usually known. All that I accomplished so that you might have an inheritance in Me was because of love. Man cannot know the riches and the depths of this love or the ways of love in their own ability. It must be revealed to My own by My Spirit through fellowship with Me.

I truly desire to be known as Healer and Provider in the pureness of truth, beyond man-made doctrines and teachings and assumptions. Beyond all measure I love you, and I desire to reveal Myself through the fellowship that I am expecting with those whose desires lead them forward into deeper fellowship with Me.

I am the Healer who desires to be that to you and then through you, and I am the Provider who desires to be that to you and then through you through the intimate knowing of Me that says all things are possible to those who believe. In this intimacy you will be able to be vessels for My use in the days ahead, for I must have pure vessels, those who have been in the rooms of fellowship with Me where you and I agree, and where understanding increases and your beliefs are strengthened through your fellowship with Me. To know Me, to know Me—to intimately know Me, that is the desire for you of the One who loves you.

Ephesians 3:14-19 For this cause I bow my knees unto the Father of our Lord Jesus Christ, 15 Of whom the whole family in heaven and earth is named, 16 That he would grant you, according to the riches of his glory, to be strengthened with might by his Spirit in the inner man; 17 That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love, 18 May be able to comprehend with all saints what is the breadth, and length, and depth, and height; 19 And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God.

Psalms 105:37 He brought them forth also with silver and gold: and there was not one feeble person among their tribes.
