Rewards of Obedience

Many fight strong degrees of their flesh that resists the one-way path of My will, and they are troubled by thoughts that condemn them about the fight they are in. I do not agree with the condemning thoughts. I am the One who speaks of My pleasure when each maturing son or daughter continues moving down the one-way path of My will, wrestling against the fleshly will that resists the good pleasure of the path laid out before you. This fight is the good way, the true way, the pleasing way that is found in Me.

It is rewards of obedience I am leading each one into, and this one-way path includes a fight against thoughts and feelings that oppose My desire for the moment, the hour, or the day. The rewards of obedience are knowing My pleasure. The rewards of obedience are the steps being gained in true life in Me, and the rewards of obedience are Heavenly rewards, far beyond temporary earthly pleasures, that allow My hand to move in the earth.

The pleasure of earthly things is enticing to the outer man, but there is no gain concerning Heavenly things. Those rewards to be gained through obedience are held back when earthly pleasures are chosen over the way of Kingdom leading. But, oh, there are infinite rewards on this one-way path of learning and choosing the Father's will, rewards not measureable by earthly measuring.

All that I am to you as your Father is being manifested, step by step, on this one-way path into greater degrees of the pleasure of My will. All that I have given to My Son, all that He has from Me is being delivered by My Spirit, step by step, to My obedient sons and daughters. Time spent with Me is the essence, for in Me is the source of all strength and willingness to walk in the way in which I am leading My maturing ones.

Great, great, great is My pleasure in My beloved ones who are fighting the good fight of faith, pursuing this one-way path into the wonders of inheritance laid up for those who will come. Fullness of life in Me is My pleasure to unfold to those who choose the laying down of his or her own will to embrace My will and to receive the grace to walk this way with Me.

Grace is available for all things, and this grace is in the fellowship I have laid out for you and in our fellowship that I continue to unfold through the understanding of it. Come, come, come, for the calling is life in Me and more of it as you continue to more than ever take time with Me as I have asked.

My pleasure is in you and your pleasure is in Me for we are one. Come and continue to come to the one way that is before you, which is Me. I am leading you in ways that are enduring, and I am leading you into a fullness of bountiful rewards that have no way of being measured by earthly means. Your reward is Me and always Me, and there are many, many Kingdom blessings laid up for you to see in Me. To those who will: Come, come, come.
