

The Lord's Present-Day Speaking

PT201109 – Nov 9, 2020
Measure Your Focus Carefully

There are many voices in the land—many voices are speaking, and there are those who think it is Me speaking through the many voices they are hearing. I am speaking to My army pertaining to consequential things, and My army is hearing that which I am speaking.

Many babes in My Body are being fed not from My Spirit's breast but from man's own speaking. The days are coming when babes will be given opportunity to be fed by My Spirit, and some who have been feeding My babes words in place of Me will find their place taken by another, because they have been unwilling to pursue the truth that can be had in Me.

Army, the days of pace-quickenings are upon you, for I am eager for you to move forward to where I am leading, and you are ready for this quickening. Continue to stand in My might with a ferocity against your enemy, and continue to secure the place of intimacy with Me, for the days you have been preparing for are beginning.

Stay—stay strong in the focus and the training, for every moment in Me is training and increase. The days of beginning are upon you, and nothing is to be measured except your focus in Me. Measure your focus carefully and note the increased narrowing as your steps are guided by Me. The path is beautifully narrow upon which I am leading. Rejoice in the way in which I am leading, for there is much to be received and secured in this quickening.

Proverbs 8:17 I love those who love me, and those who seek me diligently will find me.

Romans 12:1,2 I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. 2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.

Ephesians 6:10 Finally, my brethren, be strong in the Lord and in the power of His might.
