Hold Fast to Endurance and Intimacy

Do not stop, for this is the pattern, this is the way of intimacy with Me. My army has learned the way of enduring and continues to learn of this walk in Me, for the days that you are in and the days that you shall see, there must be endurance and continuing intimacy.

Now is the hour of continuing, looking to and leaning into Me. Now is the time of drawing near and securing even more of your place in Me. There will be times of distractions, times the world has not seen, but one thing will be unchanging in the midst of all things, and that is continuing in intimate fellowship, you and Me, and continuing to stand no matter what you see.

All of the keys learned will be held onto; none of these things will be left behind. The greater days, the fulfilling of things you have heard from Me, are before you. Yet even in the greater days, the greatest of all is the sweet fellowship, the close intimacy that you have with Me. For our intimacy is as your sword and your armor, for in intimacy is your strength and might and wisdom and all that you need for whatever life may bring. Hold fast to what you have learned and acquired in Me, and above all hold fast to endurance and intimacy, for these will carry you in My truth through anything.

Hebrews 6:11,12 And we desire that every one of you do shew the same diligence to the full assurance of hope unto the end: 12 That ye be not slothful, but followers of them who through faith and patience inherit the promises.

Psalms 63:8 My soul followeth hard after thee: thy right hand upholdeth me.

John 15:5 I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing.
