Joining Yourself to My Word

The place My Word holds in My sons and daughters is of great importance to their life in Kingdom living. Many in My Body are shortsighted about the Word of the Kingdom, not understanding how vital it is and how vital it is to speak and to say in line with My Word. Far too many in My Body continually speak the circumstances, believing them more than they do My Word.

Many try to take short cuts to give room to My Word in their lives because of the discipline and effort required. True effort is often required to speak My Word and to worship Me based on My Word. Why does it take effort? Simply because the flesh does not like discipline, and the flesh does not like working for something it cannot see. It does not like diligence, and it resists the continuous effort to do what is necessary to bring forth faith in the heart.

When circumstances rage or just go on and on, many are lulled into accepting things that do not belong to My Kingdom. But that which is not a part of My Kingdom must not be accepted; it must be driven out by the use of My truth—My Word is truth. As My Word is continually lifted higher than what is being presented to the natural senses, there comes a point when the evidence which has been seen and heard and felt begins to lose its influence. As understanding of My Word increases, confidence rises, a new strength begins to come—a determination that is of the heart. This is how faith develops.

My Kingdom Word is seed, and the Seed will always grow and bring forth fruit if care and attention is given to it through the speaking of it, through meditation on it, through attentiveness to it. My Word will never ever fail to grow to the full corn in the ear of faith if one tends to My Word.

The purging process includes My Word being given much attention to. Every key that has been taught is included in the purging process in this press into Me. The speaking of My Word and the lavishing of praise and worship upon Me based on My Word are indispensable. I take delight in those who are speaking My Word and worshipping Me around My truths. It is bringing Me great pleasure to have My beloved exercising themselves toward more intimacy with Me through the use of My Word.

Joining yourself to My Word is the way of the Kingdom. When it is an effort to do so, know that just as a farmer tends his land, you also tend yours. It takes effort for a farmer to tend his land. Your life in Me is the land you are tending. As I said in My Word, a farmer sows the seed and then sleeps and wakes, and behold, growth has taken place, but he does not know how—so it is with faith. It is a Kingdom process not seen with natural eyes.

For those who have been feeling the pressure of the effort, be encouraged. As you take My Word and worship Me, as you take My Word and speak it in fellowship with Me, as you continue to endure in these things, you will see that which you are speaking. You will see a harvest. My army, you are going to see harvest time concerning your sowing. As you continue to sow to Kingdom living and continue to tend to your land in Me, be assured: harvest time is coming.

Romans 10:17 So then faith cometh by hearing, and hearing by the word of God.

Proverbs 18:21 Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.

Mark 4:26-28 And he said, So is the kingdom of God, as if a man should cast seed into the ground; 27 And should sleep, and rise night and day, and the seed should spring and grow up, he knoweth not how. 28 For the earth bringeth forth fruit of herself; first the blade, then the ear, after that the full corn in the ear.
