Worship Is Key

Worship is key, for it is those who know Me in Presence and in truth whom I will use in My power. Worship is a place of humility, of quieting, of greater degrees of unison with Me, a time where you allow Me to move incrementally, in increments of My glory.

There are those in My Body who worship, but I cannot do in them what I am doing in a remnant, for they have not yet set their sights on maturing. I bless them indeed, for they are as infants and as little children desiring to be held by Me, and I meet with them and fellowship and assure them of My love continually.

There is a pleasure My army of intimacy brings Me. This is not to say that all My children do not bring Me great pleasure. It is to say there is a pleasure in receiving the love of those going through fires of purging that other children of Mine have yet to give Me. The manner in which each child chooses to fellowship with Me brings Me great pleasure. If they stop at the level of infancy, I am pleased that they have chosen Me; I am well pleased. But as any good father knows, there is a pleasure of interacting with those in infancy and childhood, and there is another pleasure of interacting with those who are graduating into different phases of maturity. But all are loved and all bring pleasure indeed.

Even as My Son learned obedience through the things He suffered, staying the course of intimacy, so too is My remnant continuing to learn as they follow Me. There are fires of purging in intimacy where My faithfulness and grace are being explored, and the hand of the enemy being forged against you will require this preparation, this closeness, this confidence being developed in Me.

I seek those who worship in spirit and truth. Those who have chosen the fires of purging and the joy of being yoked together with Me are those who have embraced Me in My seeking. Worship is key. It is a place of humility, a place of purging where much takes place between you and Me, and where I am able to reveal My glory incrementally. My army of truth and intimacy is pleasing to Me, for this army is choosing to press beyond the nature of languishing flesh to find Me in greater and greater degrees of My glory.

The rooms of fellowship, the sanctuaries of praise, the inner places of intimacy, these are habitations that are well pleasing to Me. These are choices that bear the eternal weight of glory. There are many things of glory yet to be revealed in our face-to-Face intimacy, many things yet to be received. These are continuing days of purging just as they are of greater intimacy. These are days of worship whereby you will enter in ever deeper with Me. For My army of intimacy and truth, worship is key, for in it is a yieldedness I seek. This yieldedness will bring you into a closeness, a place with Me whereby I will be able to deliver many things—intimacy of worship is key.

John 4:23,24 But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him. 24 God is a Spirit: and they that worship him must worship him in spirit and in truth.

Hebrews 5:8 Though he were a Son, yet learned he obedience by the things which he suffered;

Matthew 11:29 Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls.
