Carving Out New Paths

For many years, I have been carving out new paths, wider and smoother paths for My river, My Presence to run through. The streams of thinking through the generations changed the course and narrowed the path of My truth, limiting the flow, the manifestation of My Presence in the lives of My people.

Some have been able to break out into a flow of My Spirit, and that flow has been as a spilling-out over the banks of the river, but understanding, revelations were needed to enlarge the pathways for My Spirit and His truths to flow freely in a generation of believers.

Now is the time in My Spirit that the banks of the river are being moved outward. Now there is a generation, a people who have been pressing into the revelations of My truth through the fellowship of My Spirit, and the boundaries of understanding, the banks of the river are being widened to much greater degrees. I have been carving away the limits that have been in place. I have been carving away the boundaries of the teachings of man that have carried through for generations, limiting My moves, holding back My Presence.

There has been great resistance against the generations who have pressed in to know Me in the fellowship of My Spirit. The battle against this generation continues and increases as forces of darkness attempt to hold back the widening of My river in a people who know Me in truth, in ever-deepening fellowship. The river is getting wider, and the paths of the river have been changing course as the banks of tradition and the teachings of man are carved away by My truth and the fellowship of My Spirit with the remnant of this generation.

Soldiers of faith have gone before you, passing the torch from one generation to another, but this outpouring cannot be fully studied or learned through things of the past, for every soldier, every generation has their own fellowship with Me, and this outpouring is not yesterday's outpouring for yesterday's times. This is a move of My Spirit working in the soldiers of fellowship of today, an army humble, willing, devoted to the transformative work of My Spirit.

Many will be used, for the rivers are widening. From the young all the way to the Caleb's who take their mountains—this is your time. This is your generation. Love and Love's truth are the foundation; the grace of humility is the strength of this work.

There is no victory of merit without love, and the path of love is for the aggressive in spirit, for love requires the laying down of one's life for the love and will of Another. Love is humble. Love is willing. Love is wise. Love is enduring, hoping, and believing, and is the mature image being brought forward. Hang on and follow the flow, for the truths being found in the One who is Love are widening and changing the paths of the river so that My Presence and power might be manifested through you wherever you are. This is your time. This is your generation. This is your life in Me.

2 Corinthians 4:6,7 For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ.

7 But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us.

1 Corinthians 13:4-7 Charity suffereth long, and is kind; charity envieth not; charity vaunteth not itself, is not puffed up, 5 Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil; 6 Rejoiceth not in iniquity, but rejoiceth in the truth; 7 beareth all things, believeth all things, hopeth all things, endureth all things.

Psalms 24:6,7 This is the generation of them that seek him, that seek thy face, O Jacob. Selah. 7 Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in.
