Man Does Not Live by Bread Alone

The army of the Lord has been learning that man does not live by bread alone but by every word that proceeds from the mouth of God. Yes, the written Word inspired by God, and oh, the joy it is when My beloved begin to hear and to receive that which is spoken Heart to heart, Face to face, both individually and as a body corporately.

My words are spirit and My words are life, and this is the spiritual nourishment that has lifted, strengthened, and maintained My army all the way into the purging fires. There is a power, a life-giving force that is in My words that are received into one's heart. Nothing on Earth is like that which comes forth from Me.

My words heal. My words deliver. My words bring peace. My words bring focus and direction, and My words change the course of things and can set hearts on fire. My words can bring dead things to life.

My army has been receiving My words and holding to My words and this has set the course of direction to the place you now stand in Me. My words received are also steering you into new and greater places in Me. My words are My love for you, for you are everything to Me, and it brings Me great pleasure to be able to speak to those who desire to hear Me.

So many who are Mine do not believe that I speak and have no understanding of how vital the speaking of My Spirit is to My Body. He is My voice to My Body—He is the One sent of the Father to stand in My stead to My Body, My authority in the earth. He is the very One who brings you into My Presence and the Presence of the Father. The words that He brings to you from Me are the most important words spoken in the earth today.

My words are spirit and they are life. They are supernatural and are words of life from the One who was and is and always will be. They are words from Eternity and they are words of Love and Truth. They cannot be altered or ever lose their preeminence. Every word spoken has life and meaning and purpose. This is the sustenance, the very spiritual nourishment that I give to My family—words that supply My loved ones with exactly what is needed for the moment, the hour, the time, and the need. I supply My family with words that are full of Heaven's meaning: Heaven's heart and mind, and Heaven's wisdom and understanding. These words are truly life-sustaining.

Continue to hear the words of My Spirit and all that He is speaking and learn even more about this part of our fellowship, for it will only be increasing as you increase in Me. For those who have taken the path of maturing, you do not live by bread alone but by every word that comes forth from Me. Continue to hear and to take heed, for the measure you give My Word and the words that I am speaking is the measure that has brought you to the place where you are in Me.

Hold fast to that which I am speaking and let Me continue to increase your understanding on these things, for My words truly are spirit and they are life, and I give you exactly what you need each time you hear from Me.

Matthew 4:4 But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.

John 6:63 It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life.

Mark 4:24 And he said unto them, Take heed what ye hear: with what measure ye mete, it shall be measured to you: and unto you that hear shall more be given.
