PT071107 – Nov 7, 2007	Going to Where the Creative Presence Lives	20

Present-Day Speaking

PT130113A - Jan 13, 2013 Worship Me for What I Said About It

For you to take your stand—resist what shouldn't be that is trying to come on you—worship Me for what I said about it instead of lending yourself to it. You, too, will walk out with a great victory.

PT130210B – Feb 10, 2013 Stay on Course—Lift Your Hands and Worship Me

There is a time to cry and a time to laugh as many different seasons, but don't step back in your relationship with Me, says the Lord, for the way that you can stay on course in the worst of it [is to] lift your hands and worship Me, because I am your Answer. So be not deceived and stay close to Me no matter what the enemy tries to do, and you'll see, you'll see, not only will you make a recovery, but you will move forward—maybe slowly, some faster and some faster. But you will move forward into a place where you can make a difference.

When I saw that difference, that was not just one person—you are affecting everybody you know.

PT120226A – Feb 26, 2012 I Am Here for You

For this I would say to you: What I have for you is hard to understand with your mind, but it is a depth of love, and My earnest desire is to bring you to this and to continue to increase it and increase it on the inside of you. For many things that people are looking for, and end up unsatisfied when it is over, is the love that I have for them.

For these years that have gone by, I have attempted to reveal these mysteries here and reveal them there, but I am able to take these mysteries now a little bit further than I have been able to take them in most places. But you'll see, because they'll affect everything I have called you to do, accomplish or be.

I am never the one who holds back, nor do I pull up short. I am always the One who is there and ready to give you more and bring you as far into Me as you can find the strength to come. For I am here for you and you will find that out now or you will find that out later or you will find that out when you get home, but one day you will find that out.

PT120603D – Jun 3, 2012
I Can Bring Tears of Joy

I can turn those tears—the ones that are not of joy, those that escape you in times of distress, anxiety, failure. I can bring tears of joy in fellowship with you and great joy, for faith says that the circumstances are not what is dictating what I have for you.

Line yourself up and learn how to worship Me and take exceeding joy in My Presence and in My Word, for what you have is what I said you have. And you can pull yourself out of where you are at and come on a walk, a path with Me that will be glorious. And know this: We are getting close. This is yours. But you will see this in abundance, so you might as well start rejoicing now.

PT120812F – Aug 12, 2012
Exhortation on Private Worship

Somebody said, “Now what was it? What was it that would increase that love that you have, that ability to love and have it come into operation in your life?”

The key again to that is the praying in tongues that you have been doing, and start throwing an hour or so of private worship in there where you surround your spirit and sustain yourself in comments of, “Father, I love You and glorify and magnify You. I exalt You and lift You up. I praise You and love You and thank You so much for saving me. How can I tell You how much I love You?”

See? You know how much fellowship He gets out of that? You will feel an anointing, and a Presence starts coming in and I will tell you, you can’t bathe yourself in that without it bringing a change.

PT121014D – Oct 14, 2012
When You Worship Me

When you worship Me and pray in the Holy Spirit, understand this, that your worship will take an order—it will take itself into order—as when you are praying in tongues, you are not choosing what is to be said.

For some will say, “I think I will pray about it in tongues.” You are not choosing even the subject—I know what is causing the problem. And when you pray in tongues, you are edifying yourself and building yourself up. But when you worship Me, when you worship Me, you cause that part of you in the spirit to rise up that I said not to doubt in, and your hallelujahs will become victories, glorified victories.

PT121202A - Dec 2, 2012
When You Worship Me in the Most Severe Times

Don't you know that when you worship Me in the most severe times that you are celebrating My truth, not your destruction, but My truth? And you who celebrate My truth, know that I am Truth and I am Love. And when you "park" [stay] on My truth and celebrate Me for it, then it will change what needs to be changed, says the Lord.

PT121209A – Dec 9, 2012
He Delights When Things Come to Pass

He delights in edifying you, encouraging you, and He delights when something that He has encouraged you in and given to you—that you begin to lift it up and walk in it—that it comes to pass. These things delight Him. These things delight Him.

This is why He enjoys the times you spend in worship and the times you spend praying in your prayer language.

PT121223A – Dec 23, 2012
Worship Like It Is Already Done

Peace resounded through my spirit for a minute. I don't think I've ever quite had a resounding like that of how it is, can be, and should be.

When times get worse and your faith is tried, remember this, that My peace, My power and My standing that I have given you is enough. But you will see, you will see the things that I can do and you will see the things the devil will try to stop. But you have already won. So rejoice and such and be exceedingly glad and worship like you are rejoicing—something that needs to be done like it has already been done.

PT121223C – Dec 23, 2012
Magnify My Word in My Presence

Editor's Note: The following was before a ministry line for those who were facing resistance entering into business.

Hear these instructions: When you magnify My Word in My Presence—for I am not a man that I can lie—you are magnifying what I said, and what I said I would do, that will I do. But for you who enter into worship and begin to worship Me and fellowship and glorify and praise and hold Me up, don't you know that you are releasing Me to hold you up? When you worship Me around a verse, hour after hour, what you are doing is amplifying [the Word] by resting in the spirit over My promise.

You might as well know, in this area, there is a shortage. There is a shortage of those who can survive the power that is in money. For that power that is in money is offering them to be anything anywhere that they want to be. So many don't survive.

But I will say this to you: In these last days, there will be those who will enter into the mortification process, and oh, they will come forward; they will come forward. You will see. And you are saying to yourself, “How can this be?” This can be because My foundation has been built on and compounded on through the centuries in [the] past. And now that travel and knowledge have increased—it’s on every hand—things are coming into place for a worldwide revival manifested.

You think I cannot go in where My Word is going in? I can go in where My Word is going in. And any outpost that receives everything I am through teachings that have been brought in through the areas of communication, I will still come and honor My Word because truth is truth, and you will see: There will be revivals of this sort breaking out in the homes of many, many nations. So be strong and know that I am moving.

PT110313D – Mar 13, 2011
Give Yourselves Over to Fellowship With Him

It brings Him great pleasure in fullness when you give yourselves over and become this close and near to this fellowship with Him in that love which He has for you. For it has always been and always will be that part. The problem isn’t Him loving you. The problem is getting you to receive the love He has always had [for you].

PT110320A – March 20, 2011
Much Can Be Learned in Worship

Much can be learned from the rapport that goes on between Me and you. When you resign yourself to My Presence in worship and create an atmosphere for fellowship, is there anything that I wouldn’t do for you?

Come. Come. Come.

I heard this: Leave the bands, and He used another word—bonds. Leave them behind and come and be free—free from religion.

PT110612C – Jun 12, 2011
If the Habitation of My Love Was Sought Out

You will not walk too far into this that you will find out, as did [the apostle] John, the role that My love plays. And for those who can see, you will know that much of the Scripture that lies misunderstood will begin to be illuminated and come to light. For if My love, the habitation of My love was sought out with the same fervor and tenacity that money or power was sought out, you would cause a revival.

PT111002G – Oct 2, 2011
Glorify Me—Loose Me to Come and Rescue You

Do you think that I don't hear your thoughts? When what you are thinking and what you are hoping for, when it comes across My line, the things that you classify as prayer and reaching out to Me are the things I respond to because of the faith that is present and what you are asking Me to do. But think not that I am not aware of all things, for I am.

So hear what I say to you: Move forward. I know what the future holds for you and I know what you are capable of and I will give you all that you need to do all that I have called you to do.

So be strong and glorify Me, because in doing so, you loose Me from the circumstances you created to come and rescue you.

PT111005C – Oct 5, 2011
I Cannot Love You More—I Am Love

In your walk, I cannot love you more than I already do, because I am [Love]. And I love to shed that love on you in manifestation, when you can receive it.

There is no greater joy for Me [than] to fellowship with you on the level of My love.

I am Love. I cannot love you anymore, but you can stop and find out how to receive more of the love I have already given you.

PT111005D – Oct 5, 2011
You Do Not Draw on Me in Your Own Strength

Editor's Note: The following was during an exhortation on praying in tongues and private worship and, if necessary, taking a season of private worship to break into it.

For even through this, you will be assisted in coming to the forefront of even the operations of the diversities of tongues. For in this gifting, I use this [diversities of tongues] for all kinds of information, and I use it to inform you and to establish and even bring revelation knowledge forward. There are many diversities to the supernatural language, even the addressing of the heathen in their own language by yourself.

So rejoice and know that the closer that you draw to Me and My love, the more I am able to trust you and turn you loose with different things, says the Lord.

For you said, "I have made my mind up so many times to discipline myself and each time I failed, but this time I am thinking I have to get beyond this. I have to not fail this time. I have to stay in until I reach my course."

Do you think for a moment that I don't hear the request of a heart like this?

Rejoice, for I have grace that is sufficient for these things, for you will not draw

on Me in your own strength, you will draw on Me in the strength of the grace that I give you in the standing of My Son.

Do you think I am preparing you for nothing? I am preparing you for these last days, and to obey Me now is to take a step forward so you will be on time in your timing, if you discipline now. Receive My grace and move forward.

Don't you know that the more that you mature in worship, the more fear you will defeat? Be a champion and come forward without fear.

And don't you know, in the sufficiency of My grace, you will not fail? Strengthen yourself. Strengthen yourself in Me and say, "I have Your grace. Therefore, I am strong."

PT111023B – Oct 23, 2011
That Place Where I Have Set Everyone Free

If you only knew the love that I have for you, you would also know, as hard as you are reaching for Me, I am on My way, coming to you.

There is no good thing I withhold from you. Come where I am and you will see: There is that place where I have set everyone free.

PT111218D – Dec 18, 2011
God's Love Has Already Met Your Needs—Abundantly

He brought me back to tongues a minute ago—this one has to do with resources. How would I use the word, that dirty, old word—money? When He taught on unrighteous mammon, He listed it—you cannot serve God and mammon. So He listed it as a worthy foe that probably defeats more people than almost anything.

But in that prophecy, or part of that interpretation that He had me wait on there, He said to tell you that this is why a great, great, incalculable abundance will be poured out to meet whatever is needed. And for your knowledge, that also includes those whom you are believing for in the realm of healings. Because all of it is tied to the increase of the operation, freedom, and compassion that is a result of you actually receiving and operating in more of the tangible Presence of the love that I have for you that has already met every one of your needs—abundantly.

What would easy times or hard times have to do with it? I mean as far as God is concerned, what would easy times have to do with anything? What would hard times have to do with anything?

So in those things, do—do what causes you to continue to increase in the walk of My Spirit, the walk of power, and the fellowship that you have with Me in worship. Do—do these things that I might pick you up and abundantly bestow those things that are the benefits of My love, says the Lord.

PT100516A – May 16, 2010
The Journey From Not Having to Having

For like so many times, oh, it is My desire to gather you to Myself and do those things that are pleasing to Me, to do those things that I have done for you. Receive it—receive it. The more you yield yourself to Me and stay in My Presence, the wiser you will become in how to make your journey from not having to having.

PT100829 – Aug 29, 2010
Fill Yourself Up With My Love

It's My delight, when I reach down and pick you up, that you go with Me, because when I pick you up and you go with Me, then I can take you to places where you have not been before. And you will see things you have not seen before. Have I not said all things are possible to him that believes?

So stay on your journey; fill yourself up with My love, and you will turn Me loose. You will turn Me loose, as in: You will free Me up to do things.

PT100919A – Sep 19, 2010
He Loves Unlimited Worship and Fellowship

He delights when you receive instruction and follow Him. One of the greatest times—which He can't love you anymore now than He did then, but you seem to love Him more—that He has loved in history is this time of fellowship that people have made it to, where they worshiped and fellowshiped with Him—just unlimited.

The interpretation of tongues said, "He is excited about what we are approaching."

PT100926B – Sep 26, 2010
Worship Helps Him Do More for Us

It is His desire, He says, not to stop. And when you are pleased with what He has done, then your worship, your gratitude per se in a form of thanksgiving—He loves the fellowship—it helps Him increase for us, to do more.

PT101004A – Oct 4, 2010
Not Many Came Just to Say, 'I Love You'

There are not too many in the history of time who did not give themselves sacrificially to Me. Mostly when these things were done, they were done in a form of penance. But not many came to Me and said, "I already have available everything that You died for and provided for me. I am coming to You for just one reason: I know You have already given me everything, but I would like to tell You how much I love You; I

am just here to tell You that. I don't want anything. You have already given it all. I just want to tell You that I love You."

PT101004B – Oct 4, 2010

Stay in My Presence

How can change come unless something takes place that affects change? Am I not your Lord and your God and your Father? Have I not prepared a place in eternity for those who seek Me? Have I not made provision for every human being who will reach out for Me? So don't stop, for you are approaching areas that have very seldom been approached, but when they have been attained, the attainment came with a great harvest of a revival.

For these were common people like you, not those who thought they were great, but common people—common people like you, who carried great hope in their heart that later turned to great faith that turned into great power. So do not stop, nor should you stay the same.

For you seek Me the way I ordained a way for you to seek Me and you will not go down the wrong path. How will you go down the wrong path when I am the One creating the prayer that says you will go down the right path? Stay in My Presence, for along the way gifts are bestowed, along the way mysteries are understood, along the way places in Me can be attained to. You will see, for there have been enough to catch a glimpse of what I have, and they will press into this.

So rejoice and be exceedingly glad, for wildfires of revival you will see before I return.

PT101004C – Oct 4, 2010

Everything I Accomplished, I Did for You

Not just for one, for what I do for one, I do for all. For when you touch Me, I will touch you, and there is nothing that I have not finished that I will not do for you. For everything that I accomplished and did, I did it for you.

PT101017A – Oct 17, 2010

Faith—Worshiping Him Before You See It

Worshiping Him a lot more, before you see the revival, will affect Him and you a whole lot more than worshiping Him after it is already done. The first one had faith in it.

PT101114A – Nov 14, 2010

It Is Yours for the Receiving

When you do raise your heart and fix it on My Presence and My worship, and you do begin to communicate with Me in your love, know you not that these are things

of fellowship that I love? And you will not stay the same, for it is impossible to fellowship with Me on the level of love and stay the same.

So rejoice and be exceedingly glad, for the path to who I am and what I have is as sovereign as the Cross which provided it. For would I fix it [this path] in a certain way so that you could not put one foot in front of the other until you arrived at all the great things that I have done for you?

Be strong, be strong and of good cheer, trust Me, and know this, that I have finished everything pertaining to My operation here, and it is yours for the receiving.

So be exceedingly glad and know, I have done abundantly above all you can ask or think, and you can walk into it—it is a choice that can be made.

PT101114B – Nov 14, 2010
Continue on the Trail and You Will Understand

When I pour My love out, the foundation that you have is very important. For when I pour My love out, there are many who do not believe in Me and they will state the reasons why in the judgments I must make in the last days, says the Lord. If you continue on that trail of finding out more about Me, and then let Me minister to you with My love and compassion, eventually you will come to the place where I can pour any good thing out on you, and you will understand who I am, what I am, and what I must do.

So you will not be led astray. Stand solid on My Word and know that I am a **GOOD** God, and I am doing those things that must be done, says the Lord.

PT101212F – Dec 12, 2010
Do Something You Haven't Done Before

If you are going to go somewhere you haven't gone before, you are going to have to do something you haven't done before. So as you make this journey now, from a realm of glory to a realm of glory, you will marvel at the things that I do, and you will be glad that you began this journey way back when. You will be glad that you stayed and fought the good fight.

For the reward is not based on just the fruit alone, the reward is based on the time, the hours—your life. For which of you intending to build a tower sits not down first and counts the cost to see if you have sufficient to finish it? And for he who in every aspect of his life chooses Me over all else is counting the cost and will finish his tower with great reward, says the Lord.

PT090621B – Jun 21, 2009
You Can Tell It to Go

You think it is too hard for Me to take care of that problem that is causing you torment? Ask of Me and see.

This is your choice. You can live in the torment or you can tell it to go. Did I not say that prophecy would be in proportion to faith that's been given? Don't you know that when I have a voice, that I get to speak to you and tell you those things that will set you free? For you do not have to live in that torment. Tell it to go and rejoice. Lift your hands to Me and worship, and you will see—My Presence will replace that one.

PT090705A – Jul 5, 2009
He Is Pleased With the Truth

I can break it down to just a few words: He is pleased. He is pleased. He is pleased with what is happening here now. He is pleased because He has been this way before, so He knows, of course, what follows.

Obviously to be pleased—what is going to follow, it is going to be really, really good.

So, anyway, that was what He was saying is that He is pleased. He is incredibly pleased with the truth that's coming out of here now. He is pleased with the truth that's coming out of here.

It's good that you learn to worship Him for what you don't see, because wait until you see the kind of worship that takes place when you do. That was that last part.

PT091009A – Oct 9, 2009
In Fellowshiping, You Will Find Out How

This grace is not of yourself, it is a gift of God. For what could you do to earn this? What could you do that I have already not done for you?

Hear Me: If you will fellowship with Me, and in fellowshiping, you will find out how—through the things I have given you—to yield yourself and yield yourself. And what I am will come forward because it is what you are. And you will see; you will not be fruitless nor barren in the harvest of these last days.

PT091018A – Oct 18, 2009
He Loves the Fellowship

He loves the fellowship of the praises or the worship of the people. There is a fellowship in it not only for you, but also for Him.

PT091101F – Nov 1, 2009
As a Father With His Children

As a Father with His children, My desire is to pull you in close to Myself and do those things for you that can be done no other way. For many of [you], your hunger has left the hunger for worldly things and has come across the line, says the Lord, for you said your life is not your own.

So you are releasing Me to do those things for you that any good father would do. For would I give you those things in the place of what I have prepared for you as My Body? No.

PT080618 – Jun 18, 2008
The More You Exalt Me, the More You Will See

He that worships Me and glorifies and exalts Me in his life now when you see little, one day you will exalt Me greatly when you see much. And the more you exalt Me when you see little, the more you will see when you exalt Me much.

For the times are coming when you will rejoice exceedingly beyond everything that you have ever understood God to be or could be. It is beyond everything you could have thought Him to be, think Him to be, or as God, expect Him to be anything that you think that He should be.

He said that there will be seasons in your life when He will come very powerfully. You will see things about Him and know things that you have never dreamed possible, yet all of this is going to correspond with what is happening, and great answers and great power will be put on display.

And as the times get worse, with you I will get stronger, for I will compensate; you will see. For these seasons are scheduled to begin according to what you have given Me, and that is not too long from now, says the Lord.

There has been much meditation and questions held forth for Me to answer, such as My blessings, these kinds of things that I have for you. Know this: They have not been a problem for Me. They never have been.

Can you measure your heart? If you can measure your heart and are faithful in little, don't you know you will be able to measure your heart to be faithful in much?

Do you think that supply and demand are a problem for Me? It is not a problem for Me, says the Lord. I am He who can supply all of your needs according to My riches in glory.

There has been a steady stream of those who have gotten past Me and they are jumping off into eternity. Know you not that any city where this is taking place, where I could have stopped this, that this is the city I would have stopped it in? But where there is a spirit in one place, generally there is the same kind of spirit in another, especially when a certain few hold the ears of media for many. But know this: That once the hold is broken and Heaven is opened, then it will spread as a great revival.

Do you think for one minute that these people who are jumping off into eternity, that had I been able, I would not have stopped it last year or the year before or the last decade or the last generation? My timing is when you will step forth and become all that I said that you are. That is My timing.

You say I have a time to save people? Does this mean that I chose who is going to hell and who is not by the generation they are born in?

No. My truths were the same then as they are now. And those who pick them up and follow Me and who believe all that I am, all that I have said and all that I have—it is yours.

PT081109C – Nov 9, 2008
Learn How to Practice My Peace

Some of you even need to learn how to practice My peace. If you would practice worship, and magnify and glorify Me in the height of problems, you would learn how to practice My peace. For if you let Me give you peace, then I can also give you things that accompany it. And some of you are believing for things, not just loved ones, but some of you are believing for your finances. And others, you are even a little bit afraid over your job security and things like this.

In that translation of tongues, He mentioned some of those things that you need to learn how [to practice] in the face of the adversity—Satan screaming about how everything is going to go. Just tell him to shut up, and lift those hands up and begin to worship God, for God is your Keeper. He is your Supply.

PT081217A – Dec 17, 2008
This Is My Fellowship With You

You have to remember, I came from forever. I came from eternity. There is nothing that is too long or too short for Me. Every one of your lives is a whole world and eternity to Me, for I came from and am in a place where there is no time. So why wouldn't your life be a whole world to Me? And [do you] think that I do not want to walk in this world of Mine that you have for Me? I do, for I care more about you than you know.

If you will exercise yourself and begin to open your heart up to walk with Me, you will start understanding that I am present, and I want to be in fellowship and in everything that you do, says the Lord. This is My fellowship with you.

PT081217B – Dec 17, 2008
I Am the Rest You Are Looking For

When you doubt not in your heart, you are lifting up that place that you have in Me and that place I have in you where I can operate and things are done. When you doubt not in your heart, I will move mountains for you, says the Lord.

Come into fellowship with Me. Taste of My peace and know that I am good. The only yoke I ask you to wear is to learn of Me, for I am meek and lowly and I am the rest you are looking for, for your souls.

PT070128B – Jan 28, 2007
Fellowship With Me

If you fellowship with Me while you are in the flesh, think how it will be when you are lifted up above it, says the Lord.

PT070204A – Feb 4, 2007
Nothing Has the Power to Stop You

There is no need or reason that you should condemn yourself, for your weaknesses are overcome the same way. Why condemn yourself? Just give yourself over to Me and I will work My grace in you. Why do you limit yourself? For when you limit yourself, then you put the limits on how far you will go. Why do you take that which is around you as something that can overpower you?

Hear what the Spirit would say: Wherever you are walking, do not stay there. Wherever you are walking, you do not have to stay there. All you have to do is enact what I have given to you. At first, your strength will be measured by how faithful you are in the midst of the problem, but that will give way to victories and more victories and My power. So stay on the path, and know that nothing has the power to stop you.

PT070225B – Feb 25, 2007
Become Strong in Me Through Worship

Worship will be a strong manifestation in these years to come. When I establish Myself in you, there are many, many things I will do in establishing your emotions through the fellowship you have with Me. So become strong, because when revival has poured out, the rules of engagement change. Be strong, for the enemy is in opposition, but this time—this time, he is not going to succeed.

PT070228B – Feb 28, 2007
Anointings That Break the Spirit of Perversion

In these anointings and the continual increase of them, such as the increase in the early Church after they spent their time with Me, says the Lord, and then entered into their apostleship—did they not come from the cities around about and [get] set free from all manners of diseases and unclean spirits?

Know you not that currently, where the worldwide Church is walking, that the perversion is virtually something that has been going on unaltered? But do you know the very moment I magnify Myself in them with the rebirth and fill them, I can also absolutely set them free?

And for those who know the truth, [they] will come into My anointings, and it will be because they will see that the burnt over fields were not what is [truth]. It will give them new hope that they can be free, and it will start causing them to want what I am giving them instead of what they have had those years [in the past.]

Much, much, much hangs in the balance, so stand strong and go forward. Because you that paved the pathway, know you not it is much easier to walk down a path that has been cleared than one that has not? For many will follow, but who can earn what I give? Why do you come before Me to spend those times that you may operate in My Presence? Is it to invoke Me, or is it because you love Me, says the Lord?

For he that loves Me will finish his course and I will give you everything along the way.

PT070401 – Apr 1, 2007
Give Yourself to Me in Worship

Of all the things you can do that will change the atmosphere immediately around you, is to give yourself to Me in worship, in the speaking of My Word with adoration, for the person that does this ministers to themselves. You will minister to yourself in psalms and hymns and spiritual songs. It is you that is receiving ministry; for when you rejoice and magnify Me with your heart—and many of you with your whole heart—know you that I am not the one changing? You are. You will never stay the same when you come next to Me and glorify all the things I am and all the things you will become, says the Lord.

PT070418A – Apr 18, 2007
Replace Your Fear With My Love

There are so many that walk in fear. They discipline themselves; they speak My Word—all these things will work them towards their freedom. But know this: He that speaks My Word over fear and says “I will not have fear,” what is it that you think that I do to replace your fear? Somewhere along in your walk you must become acquainted with Me on a level of fellowship that you might know Me. Know Me in My power and in the manifestations of My power; and know Me in My attributes and understand who I am, but mostly in My love, because of the love that I have.

For what is love when love cannot be given away? What is it? What makes love complete for someone who has no one to give it to? Know you not that it brings Me great pleasure, says the Lord, great pleasure, when you fellowship with Me and release Me to fellowship with you. My desire is to build you up high above any fear, high above the worries and the cares of this world.

Did I not warn you to take heed that you do not take these cares? Many hearts will fail them for looking upon the things that are coming upon the earth, but fear not. You that find these hidden places in Me, and, oh, they are hidden from most because they have been imprisoned by religion, but for you that find these places in Me, know you not that there is that place where not a hair on your head shall perish?

Right now many of you are close to tears. Do you think for a moment that this is your doing? I am able to do much more than I have in times past concerning you here who believe Me. Because you are letting Me precede things by My grace and My power and My love, and when My love is preceded in My grace, and I am allowed to be poured over somebody, do you think that I will leave them the same? I have been looking for these things and I have been waiting. I have been waiting for a revival of truth, soundness of mind, and sanity. A revival that is so grounded and sound that the finest minds will evaluate all that I do and say that your God must be **GOD**.

He said: Now back to those who are beginning to weep: Know you not that this is not you? This is Me moving in you. These times when I move on you like this, it is at

different levels with different people, but I am always preparing you for a closer and a closer walk with Me. So let Me wash those levels of problems out of you with My grace, and stand up strong and take your place. Know you not that nobody can carry your mantle? If they could, I would have assigned it to them. So rise up and be strong, for every single one of you I have a commission for.

PT070418B – Apr 18, 2007
What Kind of Life Do You Desire?

He said: So many . . . *He said in the tongue, it wasn't directly for her [woman in a prayer line]:* Many spend much of their life looking for something only to find out it was not really what they were looking for. Those who do not know a fellowship with Me and have not experienced My love and fellowship, they have no way to gauge what they really want. When I said “to walk by faith,” in My mind I did not exactly have the material world in mind. Don't you know that you can receive from Me? From glory to glory, I will change you. What kind of life do you desire? One full of My life and peace and joy, with no fear to the end of your days, fat with reward and go home full of days and shouting every moment.

PT070429A – Apr 29, 2007
Is Anything Too Hard for Me?

Is anything too hard for Me? There is this place, oh, it is a holy place; it is a place where the impossible was done. Therefore, is there anything too hard for Me? Every provision has been provided, for there is nothing that I have redeemed you from that I cannot come in and do for those who will yield themselves to Me in that place.

Why would anyone come up short in seeking, practicing, approaching and holding on for longer and longer times in that place with Me? Know you not that once you begin to break the walls down that they tumble very fast? You will begin receiving in more areas by receiving in more areas, for the more you get, the more you will get. So therefore, find out how I work on these levels, and you will understand more how I work on every level, says the Lord, for nothing is too hard for Me.

PT070509A – May 9, 2007
Forge Forward Through the Fight

Now is not the time to take a step backwards. The harder the enemy fights in your emotions and the harder he fights to overcome you, know you not that the closer you are to answers? It is not the time to take a step backwards—when everything about you is fighting prayer, fighting spiritual principles—forge forward, for these are the times you are changing the most, says the Lord.

PT070520C – May 20, 2007
Use Trials to Practice Victory

If you are not good at something, then practice. Count it all joy when you fall into the different testings and trials, knowing this: When the devil puts your faith on trial, you will learn patience out of it, but you will also learn victory.

Does he who is double-minded think he will receive anything from Me? Be single-minded; look to the end of everything, for I am your victory. Count it all joy. Worship and delight yourself in Me in the worst of times and you will enjoy the best I have in the best of times, says the Lord.

PT070520D – May 20, 2007
My Grace Magnified in You

The grace I have given you is My standing, and it cannot be earned nor merited nor deserved. Yet when you magnify and glorify what I have done for you, guess what I magnify and glorify in your life. What would it be if not My grace?

When My grace is magnified in you, says the Lord, then every good thing that My Word says CAN happen to you. Therefore go from where you are to where I am, for that journey is made just because you want to.

PT070520E – May 20, 2007
The Mammon of Unrighteousness

When you come to Me, you are against the strongest enemy that is out there—the mammon of unrighteousness. Yet if you will learn how to tarry in My Presence and worship Me and speak My Word, know you not that there will be certain thresholds you will cross over?

One of these [thresholds] was taught on in the past when I spoke of a baptism of the Spirit; but for you who would continue to worship, there is a baptism of the senses, when your senses can be so saturated by My Presence that you can hardly tell that you are walking in the flesh. Know that this is a place of wisdom and instruction and the holiest of places with Me.

Great men of God have made fortunes and have given the fortunes to Me who dwelt in the secret place of the Most High. A day of this is at hand, a day of reckoning and a day of great blessings. For many mergers are beginning to take place, and in these mergers I will merge truth with media, and I will merge finances with truth, says the Lord. And you will be glad, you will be glad, you will be glad, you will be exceedingly glad, says the Lord.

PT070530F – May 30, 2007
It Is Not I Who Condemns You

When prayer is taught strong and moving in My Spirit and praying in My Spirit are taught strong, the devil always follows up these kinds of moves with condemnation. First of all, elation and great joy come into the camp; and then the enemy comes with condemnation and, in the condemnation, he demands law. When he demands law, then My children believe if they do not follow a stringent regimen then they will not have their prayers answered.

It is not I Who condemns you, says the Lord. For My desire is to walk alongside of you and hold you up. For as you continue on in My prayer, then times will come and you will have seasons where your faith will be strong in the realm that you are walking in. Then the enemy comes with great, great cares of this world and persecutions and tries to take this away from you by force before you advance further into higher places in My Spirit.

There is one [move] that is beginning now. This is one of great excitement and answered prayer. And it is [in] this one that you will learn to minister to yourself both in the assimilation of My Word and edification, but also to minister to yourself in My fellowship and coming to know Me. For this is an area, says the Lord, that you will see a very, very powerful and visible difference—a very, very powerful and visible difference—a **VERY** powerful, visible difference—and excitement will come.

Many have made it on and finished their course that made it this far, and many of you are entering into this time. So be strong and know: In the midst of adversity, great victories and miracles and moves of My Spirit lie just ahead. So be faithful in your edification and assimilation and your times with Me. For only will you understand the importance of this when I begin to move through you, powerfully, in revival, says the Lord, for **IT IS YOUR FOUNDATION**.

PT070603A – Jun 3, 2007
Refreshings From My Presence

As we enter into great times of harvest, you will marvel and you will wonder in amazement as you see Me move in a pureness of My Spirit and My power. Many of you will say “I have been deceived. If I would have known it was this way I would have begun to change long ago.”

What do you think the words “refreshings from My presence” mean? [Acts 3:19] [They mean] that all opposition and all resistance I will put down. You will be refreshed, says the Lord, you will be refreshed by My Presence.

PT070613B – Jun 13, 2007
Your Journey Into My Freedom

Settle it within yourselves: It is what I have done, not what you have done, not by your works lest any man should boast. It is My gift. I created you unto good works;

the good works did not create you. And there is no area My grace covers that you can cover [by your works].

So stand up and be bold in yourselves and rejoice and know. And the first journey you will make is the journey of the heart, the journey of peace, soundness of mind and sanity, a journey of great joy and lack of torment and fear. There is no circumstance that can challenge you, for I am the Lord your God; I have shed abundantly My grace upon you through My Son. Therefore, receive that I may work My plans through you in these last days, says the Lord.

PT070613C – Jun 13, 2007
Your Fellowship Is Everything to Me

Have I not said, “Is anything too hard for Me?” I am the God of the impossible, and even in all of this, know this, says the Lord: When I begin to do notable miracles for you, always remember it is your change, as you grow closer to Me, that I rejoice in. For the miracles are nothing to Me, but your fellowship is everything.

PT070701A – Jul 1, 2007
This Is His Desire

The endless eternities He will fellowship with you, this is His desire. This is His desire; this is His desire. So enter into the fellowship now. Why do you wait all day? For what I desire for the eternities, I desire now.

PT070708A – Jul 8, 2007
Look to My Grace, Not Your Works

As you move forward in My anointings and the supernatural, which are taken from the fullness of My grace, know this: When your faith releases Me to cross over those lines, you know it is not by your works but, rather, by the manifestation of My love towards you.

There are none of you that could be good enough within your own selves. It is the standing that I give you. So do not condemn yourself for your faults. Just don't stay where you are. Continue line upon line and from glory to glory in My Presence.

You working your future standing by going from glory to glory releases Me, with My grace, to come and do for you what I can do now. Therefore, rejoice not in your own selves but in the strength that I have given you.

Therefore, look for the perfection that comes from My Son through the grace I have given you, not by your own strength. Therefore, yield yourself to Me with no condemnation and let Me work that which I work in you, says the Lord.

PT070712A – Jul 12, 2007
My Corporate Presence Can Be Enjoyed Individually

This Presence that you enjoy corporately can be enjoyed individually, for there is a place in Me that you can go.

The rest of it: You get so refreshed, He was saying, from meeting together and worshipping. Can you imagine how refreshed you could walk if you learned how to stay in that Presence?

The message was something like that, and a little bit at the end . . . that so many saints have traded off His Presence for a form of godliness and denied the power.

PT070712B – Jul 12, 2007
Your Fears Can Become Great Confidence; This Is a Frontier That Must Be Conquered

Your fears and your worries can become great anticipation. Your fears can become great confidence, for he that seeks Me shall find Me.

This is like a frontier that has yet to be conquered by many that I have called into the harvest of the precious fruit of the earth in the last days. This is a frontier that must be conquered so that I might shed My abundance liberally on those who do My will.

PT070819B – Aug 19, 2007
Be Faithful and Be Strong; A New Season Is Here

You who are in tune, you can see the seasons changing. For a season is here, and many of you will experience things you have not [experienced] before. You will drink deep from the rivers of living water and operate freer than many of you have before. Be faithful and be strong; for there is no building that has ever been built that the foundation was not eventually tried.

Be strong; be strong. Be strong; be strong.

In this next part, many of you were running out and bringing parts of the harvest back, and your joy and your operation was contagious; for many were strengthened and encouraged and established themselves even stronger.

PT070819C – Aug 19, 2007
Something Must Be Done That Has Not Been Done

If what I desire for Tulsa could have been done it would have already been done. Therefore something must be done that has not been done.

It is My desire to have an outpouring here that sweeps in the masses. So be strong and rejoice in your path, for it is the path that I have laid for you, and I am able to do what I could not do before when I find what I need to do it with. So be faithful, says the Lord, great days are coming.

PT071007E – Oct 7, 2007
The Path of Fellowship—Rest for Your Souls

You are looking at Me, but I am looking at you. I am looking at you and you are looking at Me, for I am speaking of things, says the Lord, which are heavenly. I am speaking of things that are in My mind that I have for you.

When I can find someone who will utter the things that I say, don't you think I will stop and speak these things to you so you might be free? It is My desire to set you on this kind of path of fellowship with Me, for I am meek and lowly, and you will find rest for your souls.

PT071107 – Nov 7, 2007
Going to Where My Creative Presence Lives

There is no one that has done anything for Me, says the Lord, to whom Satan did not come with persecution and affliction and care, using all the instruments at his disposal to stop. There is no one that has gone to where My creative Presence lives, to where the outpourings of My Spirit affects entire cities—no one has gone there that he did not form what he does to stop them. There is no one that has done these kinds of things for Me that did not have to get past his worst.

You will see what I am talking about when these things come to pass. You will see, for many will come from many places to look at what is happening here. And they will be so convinced by Me because the limits have been taken off, that they will go back with aspirations. They will go back knowing—knowing that they can accomplish everything that they saw accomplished here.

Therefore, know this: It has been a while since I have been able to visit with this kind of visitation. So know that the enemy is not just trying to stop you here. He must stop you, for once this begins to manifest itself it will be much too hard for him to turn [you] back.

If He were to take all of us and whisk us out and take us on a journey all over the world to everywhere He is doing something, you would not find one place that is in the fullness of where He is bringing us.

So in this generation He just has nothing to work with. So there is a whole lot more banking on you, and I think other places, but banking on you, than you realize.

He is not just trying to stop us; he is trying to stop something from getting out of control.

But just now He said that this is some of the most invaluable training, absolute, bar-none, that you will get from Him getting to know Him in the places he will send some of you.

If He can get you to, He prefers you take this kind of training from Him so He can send you into the impossible places that people do not come back from if they had not had the training.
