Dear Friend,

The Lord delights in our praise and worship. He eagerly awaits this fellowship. Jesus says in John 4:23 **that the Father seeketh** [true worshipers] **to worship him** in spirit and in truth. However, He does not seek our worship for His own ego. He loves the fellowship our worship brings and the change that time spent in His Presence creates in us.

Praise and worship is one of the tools we use for growth and maturity as children of God. It brings us deeper into our relationship with Him. Through this fellowship, we receive greater understanding of God, who we are as His family, and who we are as His heirs on the earth.

We pray that the following present-day speaking adds joy and intimacy to your times of fellowship with the Father and that you receive the change in your spirit, soul, and body that He delights in.

## **Present-Day Speaking 'Our Fellowship Is Everything to Me'**

**1a.** There is no condemnation flowing from the Throne through to you. The healing that comes to the soul comes as your soul is knit together with Mine, says the Lord. As you spend time with Me through worship, through meditation, through confession, through prayer, as you spend time with Me, My soul is revealed to your soul. My thoughts become your thoughts, even My emotions, says the Lord, become your emotions, and My peace becomes your peace.

**1b.** There is nothing I will not do for you. There is nothing I will not do for you, says the Lord. For those who will walk with Me, love Me, and have fellowship with Me and learn of Me and just spend time with Me and get to know Me, for those, there is nothing I will not do for you. And all of Heaven and all of the Father's resources belong to you. You are My joint heir, says the Lord, and all that the Father has is thine because all that the Father has is Mine. There is nothing I will not do for you, says the Lord.

**2.** Entering into My Presence to worship Me that I may come and manifest Myself to you as you are manifesting yourself to Me—I desire to come this way all the time. For there are many, many benefits, and much has been left out concerning My blessing because very, very few people know about this aspect of My nature. I especially delight in you—it's an "enjoyment" that turns into a blessing. That's when you release Me to bless you.

**3a.** He particularly enjoys where His Presence is allowed to be responded to. He enjoys fellowshiping with that part of you that you call the “new nature.”

**3b.** He desires that fellowship so intensely that He sought you as “He seeketh such to worship Him in spirit,” meaning, in the born-again [nature], so intensely He desires your fellowship.

**4a.** To ever be your Lord, for when it is over, you will find that I was all there was to be sought—I was all there was to find.

**4b.** Hear: When you have found Me, you have found everything. For to fellowship with Me is to fill My desire, for the Father seeketh such to worship Him.

**4c.** Oh, that you would enter into fellowship with Me that you and I could fellowship back and forth through the new nature. For not just [do] I look for you to see, [but also] that this fellowship that I have desired from the foundations of the world now can be heard, now can be heralded from the housetops.

**4d.** I am offering a great reward and a great inheritance, both now and forever, for those who will walk with Me, talk with Me that I may accomplish that which I have desired from the foundations of the world. For I would not that any should perish. Oh, hear, you who serve Me: All of Mine is thine and all of yours is Mine, and all that I have, I have given to you through My Son. Therefore, be strong and go and find out what this means that you might accomplish all that I have called you to do, says the Lord.

**5.** There is no substitute, no substitute for the fellowship He desires with you, no shortcuts. The worship limb requires your presence. He doesn't care if He comes and raises eighteen people from the dead—He did that before He entered into His rest. But the fellowship with you is the now. That is the now, and nothing replaces it, so don't shove in a substitute—nobody can worship God for you.

**6a.** Do you know how precious your use of My Word is? It is as tenderly intimate to Me as your times of expressing your heart to Me in worship. The foundation of all relationships is truth, and My Word is truth.

**6b.** I consider it a time of intimacy when you speak truthfully about yourself to Me through the speaking of My Word. It is My delight when you speak of yourself according to My Word, for our union is in these truths you speak. We are united by truth. My nature in you is truth. My words are truth. I have given you the Spirit of Truth to lead you into all truth. We are united in truth.

**6c.** I am always near to you and welcome each time you draw near to Me. Our life together is a fellowship, and as you are conformed to the truth, through the understanding of it, you will understand more just how dear to Me this fellowship with you is. Our fellowship is everything to Me. You are everything to Me.

**6d.** Intimacy is you drawing close to Me in truth, for our life together is in truth. I consider it sweet and I consider it intimate when you take times of speaking My Word to Me in the process of transforming your soul. In any intimate relationship, truth is the foundation—and My Word is truth. As you come to Me in worship with the truth of My Word and what it says about you, you have stepped into that place of the sweet fellowship of you being truthful about yourself, just as I am always truthful about Myself to you.

**6e.** The core of our relationship is the truth about Me and the truth about you. Our relationship revolves around this. So understand when I say that your times with Me of embracing My truth and your times with Me of worshipping Me based on truth are very sweet to Me indeed. Whenever you take My Word and fill your mouth and your heart with truth to be conformed to it, these are treasured times to Me. It is very satisfying when choices are made for Me by choosing My Word. My heart rejoices at the truth in you, and My heart rejoices at the transformation it brings. This is the heart of our union—My Word of life in you.

**6f.** Understand My pleasure each time you choose My Word over everything you see and hear around you. And know My utmost pleasure as you allow My Word to transform you through the use of it. You draw near to Me when you draw near to truth.

**7a.** I draw you into worship so you can know Me. And I draw you—I invite you—into worship so you can “see” Me and understand My great, great love for you. For in this place of communion, this place of worship, where your spirit communes with Me, our fellowship grows deeper. In this place of fellowship, I bring the eyes of your heart into focus on Me.

**7b.** In this wondrous place of worship, I help you leave the place of your eyes being on you and help you enter the place where your eyes are on Me. These places in Me that you enter into in worship are places of strength by which you enter into the abiding place I have given you, where you no more have eyes for you; you only have eyes for Me—your life is in Me. This is your place in Me that I lead you into.

**7c.** There is a place in Me where you can live totally free of that which is not in Me. There is a place in Me where our communion is continuous, where fear does not hold you, because you hold your place in Me. We are moving into that place in Me, where your life is in communion with Me and where nothing pulls you out of this communion.

**7d.** In My Presence, you leave the awareness of “you” behind and, by My grace, enter into the awareness of Me. By My Spirit, worship helps you to sharpen the senses of your spirit, through My strength, so that you become more and more and more aware of Me and less and less and less aware of that which is outside of your life in Me. In this perfect place of My Presence, you take up more of Me.

**7e.** In this perfect place of My Presence, you begin to see like I see. My heart begins to be made known to you and begins to inhabit more of you, because in this perfect place of My Presence, you leave more of that which is “you” and become much more aware of your life that is in Me. In My Presence, it becomes more apparent that the real “you” is in Me.

**7f.** When it seems dry, when it seems purposeless, remember: The life in you that is of Me does not see it that way. You are made in My image and made to hunger for communion with Me. And My life in you rejoices at every moment that you walk away from that which is NOT who you are in Me.

**7g.** Worship is one of the pleasures of your life in Me whereby you commune with Me and are saturated in Me. I am Love—I will saturate you. My Spirit will immerse you in Me so that all you see is “You are my Father.” You will know: “Father, You love me.” The understanding of these two truths is the fuel My Spirit uses for radical transformation into living your life in Me.

**7h.** Communion with Me brings you into the immersion of My Fatherhood, and in this place, there are deep, long drinks of My love. Don’t stop drinking of Me—don’t stop

drinking of My love. We are moving into things unseen, and as you come out of these times of drinking of Me, your life will be that which you drink of. Never stop drinking of Me—I never stop drinking of your love for Me.

**7i.** My joy is our communion together. The sweet fellowship with My sons is pure delight to Me. In this communion, your senses become saturated with all that is pure and pleasing in Me. The temporary things of this world mean less and less as you are immersed with the life and love and truth that are in Me. As you take your fill of Me, your life in Me is strengthened by all that I am. There is not any part of you that is not changed by drinking of Me. I am the One who fills you with more and more grace to drink long and to drink deep continually. Come and drink. Be saturated with Me.

**8a.** There is great joy in knowing Me well and great joy in our fellowship where it is easy to receive. Knowing Me more brings greater joy, greater peace, and great strength indeed. Knowing Me well as Father is the place of great joy and great, great security.

**8b.** Joy abounds in these places of fellowship with Me, and it is in these deeper places in Me that My joy becomes yours indeed. I take great joy when you freely receive through our fellowship and knowing My joy as your Father is a joyful place of fellowship indeed.

**9a.** Worship is a powerful way to build your hope in Me and to position yourself in the place of your standing in Me where all is done. Do you know that it is My performance that you stand in? Do you know that it is what I have done for you which gives you this place in Me so that all that I have is now yours? You have victory in Me. In My love, I have accomplished for you all things. You are free to freely receive.

**9b.** Worship is a place of quiet where the troubled soul finds peace. Worship is a way to enter into the shelter of what My Word speaks. In worship there is a quickening of the hope that is alive in Me. In worship there is a sustaining and peace in the midst of storms that buffet and never seem to cease.

**9c.** Worship is an avenue of great strengthening, and through worship, you see the truth that is in Me and your spirit receives. As you take the hope-building power that is in My Word and worship Me, My Spirit will help your eyes see Me and your life in Me, and you will not be the same. You will not be the same, for you are never unchanged when you drink of Me.

*Editor's Note: The following was spoken after an exhortation on private worship and the Presence of God that is available to us.*

**10a.** Take these things to heart, for times are changing; seasons are changing. Know that many things are going to come—these things are going to come whether many people do what they are supposed to or not. So hear what the Lord would say and move forward, and you will be ready. You will be ready.

**10b.** You will be ready. You will be ready. Keep in mind: Paul could take great pleasure in the Presence of God in worship whether he was sunk out in the ocean, getting a beating, imprisoned in a sewer, or having his feet broken. It must be a powerful key. It switches you over to grace—it activates what He has done about it.

**11a.** In the days to come, many of you will understand what your worship does to your soul. When I know that you are coming before Me to draw closer to Me, it pleases Me, says the Lord, for I seek such to worship Me.

**11b.** As you begin to flow in all that I have—My Spirit, even wisdom—you will notice that it is a closer point between the natural and the spiritual that most walk in. For in My fullness, you can bring My power over to that side and bring that side into My power.

**12a.** You cannot worship and pray in the Spirit without setting yourself a direction. For when you do these things, you welcome Me to come and to come in My strength and set your direction. For when you worship Me, says the Lord, as My sons and My daughters, you put yourself in a place with Me where you recognize Me as your Father, and I recognize you as My sons and My daughters.

**12b.** Think you not that I take great pleasure in answering your prayers and giving you the things that I have to give you? It is the enemy who is accusing you. I have always been here, and I have always enjoyed giving you the things that you love in the relationship and fellowship that I have with you. You are My sons and daughters—I do not hold back from you nor do I turn My back on any needs that you have. I am here.

**13a.** I have desired to teach My people to love, for that is a nature like My own. You can tell when you are walking in My love, it is when you love the brethren. This seems really important to Him.

**13b.** When He talked about forgiveness, He said, So shall your Heavenly Father do unto you if he is not forgiving his brother their trespasses everyone from his heart. That is an end of a teaching Jesus did on the greatest in the Kingdom—who is the greatest? Who is it who demands the most respect from the incorporate structure of Heaven? Who is this whom Heaven respects? Who is it who demands the most respect from Heaven? And He finishes the teaching with: anyone who is developed to the capacity to forgive their brother and everyone their trespasses from their heart, not with just your mouth, with your heart.

**13c.** He has been looking for a people who will manifest themselves in that kind of love. I think it is because of what He will be able to do through you. Destroying people is not conducive to the walk of the spirit, neither is greed, hatred, and hurting. They are not conducive. A person cannot stop all that stuff until you know Him well enough to know Him—that He will take care of you.

**14a.** First of all, understand this: When you begin to pour yourself out in My Presence, when you suspend yourself and hold yourself in My Presence, you are also holding yourself in My love. And you cannot suspend and hold yourself in My Presence without the enemy coming and trying to shake your foundation.

**14b.** He will try to teach you, badger and pressure you off of it, but you who stay shall reap the reward, for the enemy will come and tell you all things of the flesh, and he will empower your emotion. Everything that he can possibly do, he will do to try to get you to abort. For he has seen people like you come this way before, and when they broke free of him, they rose above the flesh, for they found out that through God's love, there was nothing that they could not do.

**14c.** For the enemy has seen those who have broken away—both from him and from [strongholds in] their flesh—those who nurtured themselves in My love, that they indeed rose to great walks of joy and walks of power. And they enjoyed My finest hours in their generation, for I came and changed things from the way they were to a closer walk with Me.

**14d.** I am looking for those who will suspend themselves in My Presence, for he who is faithful in little. But, oh, when you choose this path, if I find you faithful in little, I will move mountains out of your way to give you much so you can be faithful in much.

**14e.** First, My joy will begin to replace weaknesses in your strength, and My joy shall become your strength, and you will become stronger and stronger and stronger. And things that used to stop you, they will stop you no more. Know this: When you in your nature know that you are who you are [in Me], then you have the deepest kind of heart faith, and the mountains shall not stand before you, says the Lord.

**15a.** For some of you, you have come to a certain place of worship and intimacy with Me, and then you stop. You stop because you are afraid that I won't receive you beyond the point you have been. You stop because you are afraid of Me accepting you and loving you. Unworthiness tells you that you are not as good as someone else or shows you your failings or your weaknesses, but don't you know that I see you, and you are the one whom I love?

**15b.** I will not reject you. Come closer. Come closer in your worship. Come closer in your heart to Me, He says, and I will prove to you that I love you.

**16a.** The praises of My people continually rise before Me. I desire your worship. I desire your devotion. I desire your emotion. I desire you because I want to show you My might and My strength. I want to show you My love and My glory. I want to show you My compassion and My beauty.

**16b.** For your eyes to see and your ears to hear, you need to come and to draw near, because in My Presence, there is literally all you need. So let your praise and your worship continually rise before Me, and I will take you by your hand and lead you into places in Me that you do not know about and that you do not see. But be assured, there is always more in Me. Be assured, there is always more in Me.

**16c.** Your worship is so precious, and your worship is dear to Me. Give Me your love so that I can show you who I am. And in the days to come, the praise and the worship of My Name will be heard and will be seen. And it will be a sound coming out from the inner man from My people in this place and in the lands.
