

October 2019

Dear Friend,

There is no better encouragement in life than understanding we are known and loved completely by the Father. He showers His love on us in a multitude of ways, and His words to us are life. His truth and promises encourage us to press on in His strength. They remind us that we are neither late nor unworthy to receive His grace.

When you draw near to your Father, He does not look at your mistakes. He looks at you and the place you hold in His family as loved. Draw near to Him. Be bold and encouraged! Run into fellowship with your Father.

Present-Day Speaking 'Hold Fast to the Heart of Fellowship'

John 15:8,9 Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples. As the Father hath loved me, so have I loved you: continue ye in my love.

True Joy That Reigns From Within

It is not by your might nor power, but by My Spirit. Nothing, nothing you have seen yet shall compare with what you shall see. Continue to come and seek after Me, for there are places of exaltation that I have that not only will set you free, oh, but I desire to flow through you in power so that others might see. Oh, I have things prepared for you since the foundations of the world. Enter in, for true joy is waiting, true joy and happiness and contentment; the kind I give you that reigns from within.

You Will Be Glad You Took Time to Worship Me

Continue to enter into an intimate relationship with Me, and I will put things into your life that will cause you to be set free. In those days of rewards, you will be glad that you took the time to worship Me in spirit and in truth and learned what I have to offer and what can be had. For your reward shall be shaped for all eternity.

I desire to be used in your life to set people free. So continue to be full of joy. Walk one step at a time into Me. I will change your life; I will bless you; I will cause you to be free.

Forge Forward

Now is not the time to take a step backwards. Don't you know that the harder the enemy fights in your emotions and the harder he fights to overcome you, the closer

you are to answers? It is not the time to take a step backwards. When everything about you is fighting prayer and fighting spiritual principles, forge forward, for these are the times you are changing the most, says the Lord.

Continue to Visit Me With Your Love

I am Love, and there is no greater desire than to pour My love on you. My nature is Love and you can expect My love to draw you, refresh you, strengthen you, heal you, deliver you, sustain you, and comfort you time and time again. I do not withhold My love from you, for I do not withhold Myself from you.

As you continue to visit Me with your love, I will continue to visit you with My love. I will conform you more and more into the image of the Love the eyes of your understanding see as I visit you in the Love that I am.

Continue to Fellowship With Me

I am not the Father who delivers you to My wrath. My wrath is reserved for My enemies. There is no wrath for My family. There is no wrath for those who reach for Me and look for Me. I am God, and I am Good, and the tender mercy you need is found in Me. There is only one thing to be mindful of, and that is My love and My tender mercies.

My arms are the place of safety to run to when weaknesses continually have the upper hand, for I am your Strength, and My love and truth will deliver you. Do not stop giving Me what is needed to bring change to you. Continue to fellowship with Me even when condemnation is the voice that continually speaks to you. My voice calls to you in the midst of that noise, and My voice is the one that calls for you to come, for I have what you need to bring permanent change within you.

Do not give up coming to Me and fellowshiping with Me, for I have everything you need to see more of your life turned over to Me and to see greater success in walking with Me.

I Am Here for You

What I have for you is hard to understand with your mind, but it is a depth of love. And My earnest desire is to bring you to this and to continue to increase it and increase it on the inside of you. For many things that people are looking for—and end up unsatisfied when it is over—is the love that I have for them.

I am never the one who holds back, nor do I pull up short. I am always the One who is there and ready to give you more and bring you as far into Me as you can find the strength to come. For I am here for you.

Fear No Evil—I Am With You

Fear not, little flock, it is your Father's good pleasure to give you the Kingdom. I have given you the Comforter, and His grip upon your hand shall become even

stronger than before. And you will feel Him leading you even out of very dark places, for I am Light, and I will bring you to the Light.

As the psalmist said, “Fear no evil. I am with you,” says the Lord.

We Will Walk Towards the Impossible

I am the Father of impossible. Wouldn't it make sense to agree that if you follow Me, we will walk towards the impossible? Because what is impossible for you is normal for Me.

Do not be afraid. Keep walking but celebrate the victory already because it is already there. If you don't quit walking, you will have your victory.

Continue to Press and Continue to Stand

Come unto Me and continue to press and continue to stand and know for a surety that I will cause you to possess the land that I have given you. For have I not said that I am in you, and I am with you, and I am for you? So stand in the truths that I have given unto you, that as you hunger and thirst after righteousness, you shall be filled.

Truly I desire to pour out My power in this hour, and I need men and women who will continue to press in, continue to hold fast to those promises that I have given unto you—that all things are possible, that there is nothing that I won't do, for I am the God of all glory, and I desire to reap a harvest in these last days.

So stand fast, says the Lord, and hold on, for I am coming. I am coming in power. I am coming in glory. I am coming to manifest Myself in you and through you, says the Lord.

Stay the Course

I am calling you forward to a place where I am your Safety, I am your Hope, I am your Courage, and if you follow Me, we will be able to change the world.

So do not get distracted. Do not get discouraged. Do not be in dismay. Do not turn to the left or turn to the right from the things that I have told you and the steps that I have given to you—stay the course.

Continue to Keep Walking

Some of you have disqualified yourself in your own eyes because of your struggles, because of your failings, because of your disobedience, but you never disqualified yourself in My eyes.

Those emotions that the enemy stirs up and tells you, “Hey, look what you failed in. Look what you disobeyed in. Look what you have done. God can't use you, won't use you, won't include you in the revival.” The Lord is saying that is nonsense to Him. He has never excluded you. He has never disqualified you. He has just patiently been waiting with you to continue to keep walking.

So, if you have disqualified yourself in your heart, shake that heart up—remind it to obey God. Grab hold of your soul and remind it that we live by the Word of God and not by our own words, our own emotions.

Great Victories Are Within Reach

Faith is the victory, and it is always the substance and the key. Hold fast to My truth and take heed with your heart, for victories promised are what you will see. Stay strong in Me. Stay anchored in My Word and in what I say and draw ever nearer until Kingdom life is the most natural manner of living.

Great victories are within reach. Promises you have heard from Me, I do keep. Hold fast—be very strong in the midst of the constant battles the enemy brings. These battles are nothing to fear. Keep your eyes on Me. These are days of intense training and great victory. Reach out and expect what you cannot yet see, for I am leading you into many great and wonderful things. Faith is the substance of things hoped for and it is the victory of all that was accomplished for you in Me.

Continue in Edification

Continue in edification and the things which I have said, that he that speaketh in an unknown tongue, he edifieth himself; he is built up. You are being strengthened. You are being encouraged. You are being built to overcome the very thing that is not like Christ.

So give yourself to edification and allow My Holy Spirit to teach you so that you can believe all things are possible to them that believe. For I have given you the power to overcome from My nature. But if you do not believe that it is true, you will not see it. And My Spirit has been sent to help you believe so that you might overcome.

Strength for Every Step of Your Life in Me

I see you who want more of Me yet feel unworthy. You approach Me based on behavior and see yourself through your weaknesses and to draw near to Me brings you face to face with thoughts and feelings about these things. In your eyes, you see yourself unworthy, for your faults and failings are what you think you are presenting to Me.

Approach Me based on My unconditional love for you. You are not coming to Me because of who you are in your own strength. You are coming to Me as one of My own, a cherished member of My family. You are coming to Me because I am your Strength. I am the One who helps you and walks with you into the changes you need and into restoration and greater freedom. And it is in My Presence where many of these things are received. Learn to draw near to Me in the understanding that you are Mine. You are the one I love.

Come and learn of Me. Come and partake of Me. Come, and as you come, shake off that which would weigh you down as you approach Me. Approach Me based on My love for you and My desire for you, and know this, as you come, as you learn and grow stronger in this, you will look behind you and see many things left behind that were

entanglements of the flesh. For in My Presence, My desires and My strength fill you, but you must learn to keep coming even when you feel most unworthy. Be mindful of this one thing: You are the one I am waiting for. I am Your Father, and I am the One who has the help and strength you need for every step of your life in Me.

Open Every Door Wide to Me

You hear Me knocking. And it's not that we do not fellowship, but there are rooms you have not yet let Me come into in your heart, for you fear for Me to see it. But I am the One who must see it that I may cleanse even that place and heal your brokenness.

Fear not, little flock, it is My Father's good pleasure to give you the Kingdom. Fear not My eyes. Fear not My Presence. Open the door to Me. Open the door to every chamber of your heart, and I will come in, and we will fellowship together. Not only will you be helped, but you will be strengthened and sharpened and become more a weapon in My hand to bring light into this dark world.

Fear not, little flock, open every door wide to Me, says your Lord.

Climb Higher by My Spirit

The teaching of My Spirit is in all things. There is nothing you walk in that is meant to be void of My instruction and teaching. My Spirit is your Helper and Teacher, and He is taking My Word and the things I speak and teaching you how to make these your foremost way of living. Stay strong under His tutoring, for He is the One grooming you and instructing you in Kingdom living. Climb higher by My Spirit and believe Me, for all things are possible to those who believe.

Edification—Praying His Will Into Your Life

He loves you so much that He even steps in with His own language so it can be your authority to get things done that we don't even know need to be done. But [through] praying in tongues, He says, I've got your authority. Now I can put the direction and the truth in it.

It makes it hard to fail when He created a language for you that you can use while you are mopping, driving, flying, have your mind on something else, yet He is using your authority and praying His will into your life. And then He calls it edification.

Continue to Sow to Spiritual Things

The pressure for many is about "should be"—where you should be, what you should be doing, what you should already be experiencing, and how much farther along you should be. Set your sights beyond where it seems you should be and see where you already are in Me. You are on the journey in My arms gaining greater understanding. You are continuing, enduring, letting patience complete the work, and you are loved immeasurably by Me.

I am your Help when you feel weak. I am your Strength for the journey. Do not look at tomorrow as if it should be today. Set your sights very steady, looking to Me, for I am leading you exactly where and how you need. Continue to sow to spiritual things, for you will reap abundantly from that which you are sowing. Sow and keep your eyes on Me.

Come now. Come up higher. Don't look down—keep your eyes on Me. Come often to My arms to drink of My love and receive the strength you need.

Continue to Draw Closer to Me

It is the joy and delight of My heart when someone not only understands what surrender is but keeps going on in Me, where one thing after another is left behind as you surrender your ways to My ways. This is delightful to Me. This is the heart of revival. This is the heart of a life in fellowship with Me the way it is intended to be. And this is the inheritance of the saints—to live a life for Me.

From where you started to where you are currently walking was not meant to happen overnight. My Spirit has been bringing each one along in the progression needed and in His order. Man's order is hurry. My way is orderly, pure, patient, and is not lacking in equipping. Surrender is the heart of revival, and it is My desire for you that you continue on in these things. Continue to come and draw closer and closer to Me and reach beyond earthly things into your place in Me where you are able to receive freely.

Hold Fast to the Heart of Fellowship

Vessels of glory and honor I am preparing, and the fellowship in the work of My Spirit that brings about these things is above all pleasing to Me. You were made for fellowship, and without the work I do in our communion, the glory of outpouring would not be seen.

Hold fast to the heart of fellowship and continue to learn from Me, for in these times, I am bringing greater understanding needful for where you will be walking in Me. Great is the pleasure I hold in our fellowship, and in My thinking, there is never "dryness" in your fellowship with Me. It is always fruitful and accomplishes many things.

I am so very pleased, for not only do I work a work each time you come to partake of Me, but there are things that concern you which I am able to bring progress to. And those things that require My intervention, My ability and power, and even the work of My angels, I am released to work in by varying degrees by the faith and yieldedness you offer Me as you lift your heart in fellowship with Me. There are no dry times with Me, for your worship is always received. I am so pleased each time you choose more of Me.
