

August 2020

Dear Friend,

Everything we have and love in this life—it is God who makes it possible: **For in him we live, and move, and have our being** (Acts 17:28). And there are endless benefits of fellowshiping with Him, of choosing to draw near and entering into His Presence. When we choose to spend time with God and get to know Him as He knows us, in these times we are strengthened, revived, and healed. We learn of and enter into places of rest, abundance, peace, and joy where we are built up in Him and learn how to put the enemy to flight, walk free of fear, and how to be used to help set other people free.

God desires for us to enter into fellowship with Him because He is our Father, the One who knows us inside and out, and He truly delights in our presence. He longs to reveal to us His counsel and wisdom and to give us understanding so that we can walk with Him every day, growing in our fellowship with Him and maturing into His anointing, glory, and power.

God bless you as you continue in your fellowship with your Father and as you take time reading through His words and promises to you.

Your friends and co-laborers,
Dave Roberson Ministries

Present-Day Speaking 'You Are the One Who Will Benefit'

Things Only Found in My Presence

1. Hear what the Spirit would say, for there are things waiting for you that can only be found in My Presence. Therefore, take heed to the signposts along the way. For all the Word is knowledge of Me and points the way to fellowship with Me. And in the eternities to come, I will gather you to Myself as My family. And you will look back on the days of redemption and the days of My Word and the days of Law and you will rejoice that all of them spoke of these days when you would spend eternity with Me as My family. Therefore, enter in now, for there is much benefit that has transcended all realms and belongs to you, and fellowship with Me is one of those things. So enter in.

That Precious Place of Fellowship With Me

2. That precious place of fellowship with Me, that dormitory of understanding where I invite you in to fellowship with Me, where things are seen through the eyes of the Spirit and your understanding is charged with My understanding—I would say unto you: In this secret place of the Most High dwells the understanding and the power for your transformation.

The Wisest Investment

3. From the beginning of time, I have loved you with a love that cannot be understood with the [mind of the] natural man. With the love that I desire to teach you of that you may know that I love you and that you love Me and enter into that kind of fellowship that sets you free—to rid your mind of the cobwebs, those things that pull you down and try to convince you that the time that you spend with Me would be to no avail. Hear what the Spirit would say, hear and come. For the wisest investment you will make with your life is goals you make with Me, goals you make with Me in the realms of the Spirit, for both here and in the world to come, you will be greatly benefited.

Enter In

4. Enter in, for everything that I have for you is answered when you enter into the personal relationship and fellowship with Me, says the Spirit of Grace.

Learn to Spend Time in Fellowship

5. Learn to spend time in fellowship with Me, for it is in the intimacy of those moments that I teach you the secrets that cause you to be free. For the world cannot receive them; they are walking in carnality, you see. But in intimacy, I will know you, and you will know Me. For the deep things of God are revealed unto you by My Spirit, says the Spirit of Grace.

Within Your Heart You Will Have Peace

6. As any good father, I desire to give you those keys that unlock those doors that within your heart, you will have peace. You will not know what it is to want anymore. Your fellowship and supplication will be of such with Me that long before the victory arrives at your doorstep, inside, you will have been made free.

Fellowship by My Spirit

7. The fellowship by My Spirit will take you into My Word and cause you to understand those things that you have heard. You will bless the day that you became acquainted with Me by My Spirit, for you will finish your course. You will drink deep from the rivers of life that flow from My throne. For if any of you believe on Me, as the Scripture says, out of your inner man shall flow the rivers of living water.

I Will Give You Rest

8. For those who will stop and take time to fellowship with Me, their reward is abundant and full. Come unto Me, you that are heavy laden, and I will give you rest. Let not your heart be troubled.

Great Peace Is My Desire for You

9. Great peace is My desire for you that you may fellowship with Me in love, that I can filter through and through your life. I desire to take you from where you are to a

place with Me, a place that you have known about way down in your spirit that from the foundations of the world, I have prepared for you.

Everything You Are Will Come Forward

10. You are the one who will benefit from these times of refreshing in My Presence, says the Lord. For when you fellowship with Me, I fellowship with you, and everything that you are will come forward.

Intimate Fellowship and Relationship With Me

11. I do desire to take you from where you are to where you should be, that is in an intimate fellowship and relationship with Me. For great peace is in this realm of the spirit. Great peace, you see, for I desire to take you out of defeat and make a conqueror out of you and set you free.

The Higher Walk With Me

12. The higher walk with Me—that walk where your house is on the foundation where a man walks free—is in My love and its flow, you see. So rejoice and be exceedingly glad, for there is a place of fellowship with Me that not many understand, but I will assure you, My children, it can be had.

Psalm 18:19 He also brought me out into a broad place; He delivered me because He delighted in me.

Peace, Peace, Peace Is the Order of Every Day

13. Oh, I desire to fellowship with you that you have My way, for I will dominate [within] you in realms of authority that you never knew to exist. For peace, peace, peace is the order of every day. It releases Me to cause the abundant blessings to flow your way. So walk with Me. Be as a child, be of those who have been set free. For it is your Father's good pleasure, My little ones, to open these doors to give you the keys to the Kingdom.

There Is a Place of Fellowship With Me

14. There is a place of fellowship with Me where you can leave all bonds behind. As you continue to fellowship, you will go from glory to glory, and you will reach places of intimacy where you will begin to know Me as I know you. And My anointings will come, My glory will come, My power will come, for it is the Father's good pleasure to give you the keys to the Kingdom.

My Desire Is to Lead You Into My Image

15. My desire is to lead you into My Image from glory to glory, says the Spirit of Grace, that I may pick you up—high in fellowship—in a Heavenly place, that My thoughts may be your thoughts. My fellowship with you will be free, for I will teach you the secret things of the Most High and of My counsel. I will fellowship with you

in My Word and set you free. When you cry, says the Spirit of Grace, I will say, “Here I am.”

I Am the Best Thing That Is in Your Life

16. I wait at the door and I knock. My desire is to fellowship with you, for I have places of fellowship that many of you know very little about—places of fellowship where wisdom and peace meet together, where I give you peace to walk out My wisdom, where I give exploits: mountains to move, things to do. And the strength that you receive is from Me, for greater is he that is in you than he that is in the world. I am your Strength. I am your High Tower. I am He by which you mount up with wings of an eagle. I am your Success—I am the best thing that is in your life.

I Am Here

17. I desire to fellowship with you in intimate fellowship within your heart and to walk with you second by second, moment by moment. No, there has never been a time from you that I did depart. For every moment of the day, you can look My way and know that I am here, says the Spirit of Grace, here to fellowship with you and give you My wisdom, My power, and My Spirit to see you through.

You Are My Delight

18. I desire to fellowship with you, not on the level that you have walked in times past, but I have opened a new door to pull you into My bosom because you are My delight. I desire to walk tall with you and to put the enemy to flight, to remove your fears and cares—when you are enveloped in Me. For I, the Lord your God, shall use you to set other people free.

Am I Not Your Father?

19. Am I not your Father? Does it not delight Me to pick you up, to heal you, and to fellowship with you? I would fellowship with you unto the late hours of the night and tell you secrets, whisper mysteries, those things of understanding that you might know Me and that I might know you. Come away with Me, says the Spirit of the Lord, for I prepared a place for you—a habitat of My Spirit—that you might fellowship with Me.

A Place of Communion

20. There is a place of fellowship—a place of communion with Me—where things that seem to be hard to your carnal mind, oh, they are easy things. The things that seem not to be the answers turn out to be the answers. In your search for glory, what you expected not to be is what is to be, for I have all of these things, and I have made them available to you.

He Loves Those Times of Fellowship the Most

21. He loves those times of fellowship the most with you. He spared not His only Son, for through Him, abundantly and freely, He gave you all things. He desires

this fellowship—loves it when you come into His Presence and worship Him, even if it is around a need. For He knows that you will not spend time in His Presence that, soon, you will come into His Presence because of His Presence—because of His Presence alone. And truly, all these things shall be added unto you, truly, says the Spirit of the Lord, truly, truly.

Your Time of Fellowship With Me Is the Most Important

22. Your time of fellowship with Me is the most important. For it is here within this holiest of holies that I will teach you how to walk with Me and [teach you] what you need that you might walk with Me and succeed in those areas that you need to succeed in, which is peace and righteousness and your joy and your walk with Me, says the Spirit of the Lord.

I Have a Plan for You

23. For those who will enter into My Presence and fellowship with Me and fellowship with My Spirit and yield yourself to Me, I have a mind for you, and I have a plan for you. There is no one who will walk with Me by the power of My Spirit that I will not reveal Myself in you. I will mortify you and build you up and reveal My plan to you. I will show you My mysteries and give you wisdom and understanding, and your fellowship with Me shall be pure, and it will be rich.

A Place in Me Where You Can Live Totally Free

24. There is a place in Me where you can live totally free of that which is not in Me. There is a place in Me where our communion is continuous, where fear does not hold you—because you hold your place in Me. We are moving into that place in Me where your life is in communion with Me and where nothing pulls you out of this communion.

Find Me Beside the Still Waters

25. Find Me beside the still waters, for it is in those places of fellowship, it is in those times spent with Me where you are strengthened, where you are revived, and where you are healed. Come into this place, says the Lord, come into this place, this place of rest, this place of abundance, this place of peace, and this place of joy, and I will meet with you here, says the Lord. And the hand of the Lord will move upon you.

Fellowship—That Is the Retreat

26. In fellowship with Me is where the peace and joy are found. No, no, nothing can compare, for in the midst of all your problems and trials, that is the retreat, that is the holy place you can come to, and you will find out that I am always there. I will meet with you and strengthen your character. I will build you up—you will see. With Me walking with you, I will see you through.

Much Answered Prayer Revolves Around Fellowship

27. Much answered prayer revolves around fellowship, says the Spirit of the Lord, for when you draw nigh to Me, I draw close to you, and there is a place in Me where a rapport develops. You flow in My Presence. Yet I flow in your presence, and he who abides in Me and lives in Me, I abide in you and live in you. When My Word lives in you and you live in Me, when My Word becomes part of you and you become part of Me, it is he who can ask what he will, and it shall be done.

There Is Nothing I Will Not Do for You

28. There is nothing I will not do for you. There is nothing I will not do for you, says the Lord. For those who will walk with Me, love Me and have fellowship with Me and learn of Me and just spend time with Me and get to know Me, for those, there is nothing I will not do for you. And all of Heaven and all of the Father's resources belong to you. You are My joint heir, says the Lord, and all that the Father has is thine because all that the Father has is Mine. There is nothing I will not do for you, says the Lord.

My Heart Is to Know You and to Fellowship With You

29. It has been My desire since the establishment of the Church and My new nature to reveal to you through My Word that you have been made a partaker of My divine nature, says the Lord. And it is that very essence that has put you into fellowship with Me. And My heart is to know you and to fellowship with you, for I seek such to fellowship with Me. And from the days of your creation, from the days that men stood before Me in the restoration of that nature that put them into fellowship with Me, it has been My desire to cause you to understand the relationship you have entered into with Me.

The Best Is Yet to Come in Your Life

30. I desire in My nature to draw you up around Me forever and ever and nurture you, says the Spirit of Grace. So enter in now. The best is yet to come in your life. No single, minute detail will I leave undone. This is the walk of power, the walk of grace. So come, fellowship with Me in this secret place.
