

## The Measure That You Give My Word

**Eph 4:20** But ye have not so learned Christ;

**Eph 4:21** If so be that ye heard him, and were taught in him, even as truth is in Jesus:

**Eph 4:22** That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts;

**Eph 4:23** And be renewed in the spirit of your mind;

**Eph 4:24** And that ye put on the new man, which after God is created in righteousness and true holiness.

**Eph 4:25** Wherefore putting away lying, speak every man truth with his neighbor; for we are members one of another.

**Eph 4:26** Be ye angry, and sin not: let not the sun go down upon your wrath:

**Eph 4:27** Neither give place to the devil.

**Eph 4:28** Let him that stole steal no more: but rather let him labour, working with his hands the thing which is good, that he may have to give to him that needeth.

**Col 3:10** And have put on the new man, which is renewed in knowledge after the image of him that created him:

**Rom 12:2** And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

Once again the time has come for those who will esteem My word more than they do their necessary food. They will no longer take My words lightly, as entertainment, almost, and something of small value, for I have not had you here all this time to separate Myself from you now. With My own arm, tonight I gather you unto Myself. And I am rekindling an appetite in you, an appetite not only for My written word, but for the words that I speak to you, that they become your very life, more precious than gold, more needful than your necessary food. Eat My word until it becomes a part of you, bone of your bone, flesh of your flesh, where it brings life to you like the marrow does to the blood.

With the measure that you give My word, that is exactly the same measure that you will see the results of My word, says the Lord.

Hear not my words in vain, for they are life unto you. My words are spirit and they are alive, they set the course of direction for your life to flow with my mind, says the Lord. Set every word as a stone upon your heart and upon your mind that they can never be removed by your enemy.

My words are your life, my direction is your life, your provision, your anointings, your giftings, everything that is your inheritance is on the path of direction that I set for you, says the Lord. Heed my words! Regard them as most precious! Treasure them above all things, for they are your life!

## **Prophecies Received at The Family Prayer Center Tulsa, Oklahoma**

### **PT100103 – Jan 3, 2010 Come to Receive—Prayer Is Not a Courtesy**

When you come to receive, then receive.

*The wording went something like this:* Don't come just to be prayed for, but come to receive. Prayer is not a courtesy.

### **PT100105 – Jan 5, 2010 Take Heed to My Spirit**

I am looking for the hearts that are willing to put off the old man for the new, for in the days ahead, there is much to do. We are closer than you think to the works I have been preparing in you.

The race is won by the swiftest, and the race is not finished. Take the time with My Spirit and learn, and take heed to all He tells you. You are entering into a new time of learning and seeing more clearly about My life in you. Take heed to My Spirit within you and all that He says to you.

Many who have not heard will be hearing as they continue to move forward in truth. Praying much in the Spirit is times of personal tutoring by the Spirit of Truth. He will move you past what has stopped you from believing I speak to you, and taking time to worship Me will open places in you I have not been given access to and I can come to restore you.

Take heed to My Spirit, for He has many things to say to you. I look for hearts that are open to take heed to what I have to say.

### **PT100108 – Jan 8, 2010 Once the Flames of Revival Are Ignited**

I want you to envision the igniting of a fire. Consider how a small spark can ignite and become a raging fire, and how it begins with such a small incident. But, I want to elaborate more on once the fire is started. Don't forget, in its infancy stages—before the fire erupts and it is only small embers that you are dealing with—I am the One who comes and blows on those embers until a flame ignites. I am that wind. I do what you cannot do. You offer yourself up to Me—that is what you do. I go beyond that. The wind of My Holy Spirit blows on your offering; I blow on it until it ignites.

I want to warn you and the Church: Even once the fire erupts, the most vulnerable time for any fire is in its beginning stages. That is when it is the most vulnerable to being extinguished. That is what I want to warn you of.

Even once the fire of revival is ignited here and the flames grow, be on guard because your enemy will do everything possible, especially at the infancy stage, to try and extinguish the revival fire. Because he knows the longer it burns, the more that it will spread and the harder it will be to extinguish. So, know this: Your battle has not ended once the revival has ignited here; it has just begun because you will have to guard against all the deception that the enemy will throw at you in his effort to extinguish the flames, and in his effort to sidetrack the revival and turn it in such a way that it brings a reproach against My Name. The enemy knows the longer the flame burns, the larger it becomes, and the more dangerous it is for spreading.

Also, do not forget that you continue to need to supply fuel for any good fire to continue. There will never be a time in this revival that you can ignore your personal time with Me. That is the fastest way for your part of the revival to be over, because when you do not spend your time with Me, you are more vulnerable for being led away into traps constructed by the enemy to derail you. You have to make sure you are spending your time with Me to avoid those traps.

I will have My revival, and I want you to be a part of it. Beware of this deception of only being warmed by the fire, instead of being immersed in the flames. I did not call you here for you to be warmed by this [fire]. I called you here to be a part of it, to be immersed in it. My plans for you involve transporting this [revival] to other locations, destinations. [My plans for you] are to be that spark that I can blow to other areas where My children are so desirous for revival. I want to use you to carry this flame when it is ignited to ignite others. This goes for many who are a part of this Body.

There are red-hot embers here, now. If you want to know where this Body is in relationship to revival, envision a bed of red-hot embers. Gradually, I am blowing on those embers, knowing that, soon, flames will ignite. How close is this? It is very close.

So it is time now to begin to prepare for when the flames ignite. Brace yourself for the onslaught that is to follow. For many, it will truly be a fight for survival. As long as you are prepared for it in advance, you will be fine. Do not wait until the fire erupts, because then it will be too late and you will be fodder for the enemy, and he will do everything to try and turn you out of the way and bring a reproach against My Name.

Is it close? Yes, it is close. Even now the wind is blowing. Even now the smoke is rising. Even now the embers are glowing red hot, and in a moment, seemingly from out of nowhere, flames will begin to dance on the coals. That is how close you are.

So do not lose sight of the objective. Do not lose sight. Press in now harder than you ever have, because what you have hungered for, what you desired for all of these years, I have desired for so much longer than you. I have waited for someone with whom I could pour Myself out upon and it would not destroy him. Finally, finally, we are this close. Press in. Do not hold back. Give Me everything that I need to bring this to pass.

**PT100110A – Jan 10, 2010**  
**Seek Me As Your First Love**

*Editor's Note: The following is in reference to things that were said during the January 10, 8:30 am Sunday service at The Family Prayer Center.*

The things that are being said this morning are not for the purpose of alarming anyone. It is solely for the purpose of allowing each one an opportunity to make adjustments where adjustments are needed.

I am your sole need. I am your sole purpose, and when I say there is no need to fear because I am with you, and when I say there is no lack to those who love Me and seek Me, I speak truth, for I am truth and only truth.

So, yes, there is trouble coming, and yes, the enemy is intent on a heavy level of increased warfare against you, and his intent is to torment, when torment is received. As you heed these instructions you hear this day and obey and seek Me as your priority, the tormenter will have no way to torment you, for I am your peace.

Everything the enemy wants to bring against you is as a drop in the ocean in My scheme of things for those who take the time to seek Me as their first love and true love.

So let your heart take heed to what I say to you—and obey. Obey that which you hear My serving son say today and seek Me as your first love, as your necessary love, as your one ardent passion and desire. Make time to fall deeper in love with Me and you will be changed, and storms always cease.

**PT100110B – Jan 10, 2010**  
**Because of the Few**

*He said that you can't know through the different church ages because some hasn't been recorded. He said, If you understood at times when things were hopeless and that My movings almost came to a standstill, that there were people who would not turn loose—and even though the rope became a thread, the thread wouldn't break and I built it all back again, says the Lord.*

And know this, it is because of the few that bore the persecution and would not turn loose.

**PT100110C – Jan 10, 2010**  
**The Use of Tongues and Praying in Tongues**

I will answer your question, says the Lord. Yes, there is a lot of confusion around the use of tongues and praying in tongues. One reason there is so much confusion is because they try to put the same set of rules on all the diversities [of tongues] and come forth without understanding.

But I gave you a way to edify yourself beyond your ability that I even create the prayer.

**PT100114 – Jan 14, 2010**  
**How Can You Use Me, Lord?**

My children have heard of My wondrous plans, but many still say, “How can You use me, Lord?” They continue to walk under the shadow of circumstances, not knowing the fullness of their salvation. But I say to you, lift up your eyes and see where your help comes from. Awake from this slumber, for you are Mine, and I will keep you in truth. You are in this world, but you are not of this world. Hear Me when I say, **REJOICE** in the joy of your salvation, for you are not of this world! When I reveal My plans, say, “Oh, yes, Father. And what do You want me to do now?”

I say again, **REJOICE** in the joy of your salvation, for you are not of this world. **REJOICE** in the joy of your salvation because your names are written in Heaven. And I do not write the names of My children in 6-point font [small type]; I write them with the very stars of Heaven. So, **REJOICE**, and be exceedingly glad, for if you are not of this world, you are of My Kingdom.

Now hear everything through this truth, and let all your words be established in this truth. There is not an enemy who can stand in the face of My words spoken in faith by one of My children who knows who he is in Me.

**PT100117A – Jan 17, 2010**  
**Fatherhood Is the Heart of My Plan**

Do you know that your Father is Love? Do you know that more than anything else, I want you to know Me and understand who I am? I want you to know and understand My love for you.

Man has an inkling of this love. Parents can know a kind of a love that a parent has for a child, but until they know Me and know My love, they have not really entered into the love I operate in as a parent. I am the Father of spirits. I am your Father.

A man can love a woman and a woman can love a man, but until they know me and know My love, they cannot really know the love that is available in the oneness of union. I have joined My Spirit to your spirit and we are one.

I want to uncover many treasures of My Fatherhood to those who continue to seek Me. I want to carve away misconceptions so that only the truth about Me will stand, and that this truth will stand tall in you.

Fatherhood is the heart of My plan. Loving you as a Father, like no one else can, was and is the heart of My plan. I alone am your Father eternal. I alone loved before the world began. I alone, as your Father, conceived you by My Spirit in My redemption plan. Many sons and daughters is My plan.

As you learn more about Me, you will learn about you in Me and grow in understanding My "Father's" heart and My plan. My love for you is indescribable to your soul. But to your spirit, I can reveal My love and help you grow taller in the understanding of the mysteries of who I am.

This is a year to focus intently on My heart as your Father and to reach into more of Me. As you reach into more of Me, I am going to take you into new freedom, a new liberty. For as you see more of Me, you will understand more of My life in you and hindrances will fall by the wayside and you will walk in more of the freedom that comes from understanding who I am.

If I can get a few to walk into more of Me, I will have a few who will walk in truth, and this truth revealed can set many free. It only takes one light to dispel darkness. I have “lights” that are walking into truth, and as your Father, I look with anticipation to My sons advancing into more of Me. I look with anticipation at what the world will see of Me as My "lights" dispel darkness and shine the light on the true path into Me.

Fellowship much with the One I have sent to guide you into Me. Take the time, take the time, take the time to enter into more of Me. More of Me is the answer to all you need. More of Me is what the world is waiting to see. More of Me is the only thing your heart needs. The only answer is more and more of Me.

I am always in anticipation of every moment that a heart looks to Me, for I am all you need.

**PT100117B – Jan 17, 2010**  
**My Grace ‘Ahead of Time’**

In My Kingdom, an alarm is not to cause alarm, but a signal of My grace "ahead of time." [It is] an answer before you call, My strength and My instruction, My love manifested in wisdom and understanding.

Stay close to Me. I am your Victory—a very present help in time of trouble.

**PT100117C – Jan 17, 2010**  
**Fall in Love with Me Anew**

Fall in love with Me. Fall in love with Me. Fall in love with Me anew. I am inviting all to come and reach into more and more of Me, for a banquet of My love awaits you.

This is the Father’s call to you: Come; fall deeper and deeper in love with Me. A great feast of love awaits you.

The Father’s heart for you, the Father’s heart revealed through you—this is the feast that awaits you. Tarry not and step aside from every distraction that would delay you—and come. A great feast of My love awaits you.

**PT100117D – Jan 17, 2010**  
**I Have a Greater Measure of My Love**

Don't you know that the awareness of My Presence and the understanding of My love, My nature is the place of peace and victory? For as you know and understand My love for you and the ways of My love, nothing shall overpower you, for you will have no fear.

Fear will assault, and fear will try to come, but it will find nothing in you, for your place of confidence will be firmly rooted in the understanding that you have in Me and My love for you and through you.

I am always available in My love to you, but in this season, many will feast on My love for them and will come out from this time with a new flow of My love through them and a new wisdom in My ways in them.

So don't hold back. Keep the first and foremost plan in your life to seek after more and more of Me, and let this seeking be in a greater measure, for I have greater measures of My love to pour into you.

**PT100117E – Jan 17, 2010**  
**No Other Avenue but Truth**

The Spirit of Truth tried to flow; the Spirit of Truth has no other avenue but truth. Repent that you may believe.

**PT100118 – Jan 18, 2010**  
**The Rivers of Love—Stay As Long As You Can**

Love. The rivers of love are here. They are ever present. My love is the most powerful force in all the universe. Only as My children partake increasingly of My love for them can they be transformed to that very love – that they may live in and move in and *be* this very love. Jump in. Partake freely. Drink deep. Be immersed in this love. Be surrounded by it and be filled with it.

When you enter My presence you can also enter into My love—into these rivers. Let them wash over you, purifying your heart, till the only motive left in your heart is love. Love must be the only motive in all things.

Did I not say all the law was summed up in this one saying: Love your neighbor as yourself? Did I not say the greatest commandment was to love the Lord your God with all your heart and all your soul and all your mind, and the second was like it – to love your neighbor? These are keys to My Kingdom. These are keys the devil fights hard to keep My children from finding and obtaining. But I say these keys are yours. I am placing them in your hands.

Eye has not seen, ear has not heard the doors that are unlocked with these keys, but I will reveal them by My Spirit. I will lead you to each door and instruct

you when to open it. You will be amazed, but this is the power of My love. This is the power of who I am, and it is being released into you as never before.

Every opportunity you have to enter My rivers of love, jump in and stay in as long as you can, and be transformed by it. This is the result of fellowshiping with Me. Thus is transformation.

Be exceedingly glad for I have long waited for these keys to be held in the hands of My children and to be utilized for My Kingdom purposes. Let Me transform you to My love. Then you will never fail.

**PT100119 – Jan 19, 2009**  
**I Am a Lover Who Eagerly Waits**

No one else can love you free like I can. My love to you is the truth of who I am to you, and in the Presence of who I am, miracles happen and souls are rescued from despair as the hope that is in Me reaches into the darkness and despair that has engulfed them.

In the Presence of who I am, in the Presence of My love, the truths of My Fatherhood are revealed. As you are on a mission to discover the depths that are in Me, in My love, I, too, am on a mission to unfold the beauty and the depths of who I am. I am Father. I am the Maker of man, and My longings are ever present to reveal Myself to the creation of My hand.

The love that comes from Me—that is being explored in times with Me—is a river that has no end. There are places in My love to be explored that will unravel truth and will open doors for many to experience what they need, which is Me. I am wooing a people into My Presence who will take Me at My Word: That I am truth. I am Love, and Love is truth.

The world will pour into the places where the sons of My love stand, for their place in Me, in the knowledge of My love, will allow Me to pour Myself out in a way that I am greatly looking forward to. I am eager to pour Myself out in such a way that miraculous restorations will take place. I am eager to permeate atmospheres with the revelation and Presence of My love. I am eager to answer the cry of those who have cried out, “There has to be more to life than this!”

Oh, yes, I am the “more” in life that many are longing for, looking for, and finding no way into. The depths in Me and the avenues into My love are often not found because the reasonings of men have instructed not into the depths of who I am. Oh, there is a depth. Oh, there is an abiding. Oh, there is a wisdom and understanding that is being sought after and reached into. I am so happy. I am so pleased that you want more of Me, because I so want more of you.

In these places I am leading you into, you will be satiated to much greater degrees. You will be poured into in greater and greater measures with who I am. And My love will come to abide in you in ways that are new. An abiding is coming to My people that many have been reaching into. This abiding place is a deep place in Me and a place of great stillness in you. Your heart has been sensing the abiding and the stillness that I am referring to, for My grace has been working in you.

The hungers you often sense for Me are from the longings I have for more intimacy with you. The expectations that draw you are from the well of My love for you. The need for Me that seems to push everything else aside as “unimportant” is from the riches of My grace that draw you. I am the beginning and end of all that pertains to you, and it is well pleasing to Me when you respond to the grace that draws you. My grace is as My wealth and riches to you, for it is the strength that sustains you and the strength that moves you forward into all that has been given to you in Me.

Just as your heart is rejoicing at My Presence and My grace, so is My heart rejoicing at your presence and you holding onto My hand of grace. More of Me awaits you, and I am a Lover who eagerly waits for every moment with you. I eagerly await My times with you.

**PT100124 – Jan 24, 2010**  
**Change—New Strength, New Understanding**

“Change” is in the atmosphere. Great is the portion of this change. This change is well noted by those who are heeding the call of My Spirit and giving themselves to Me. They are in tune with My Spirit’s movings. Those who are not defining what they are sensing are not lessened. Their walk is in the process of moving into being more in tune with My Spirit’s movings.

It is a time of “change.” It is of great importance to heed the promptings and wooings of My Spirit as He draws you away with Me. I, and only I, can move you forward in Me, by My Spirit.

It has been said that it is of utmost importance to walk after My Spirit in fellowship with Me, for by no other means will you enter into the change I am bringing, except by My Spirit. These things have been said, and today I emphasize this and ask that you take heed. Some will hear this “asking” as if I am imploring, for this season is of such intensity.

All of the understanding of the change has not yet unfolded. Now I say, I am bringing the “runners” into a new level of grace to hear Me and obey Me, which is a must for all that you will enter into. You must—you must—put first and foremost your life in Me and your love for Me, for you are empty without the life that is in Me, and it is a new strength I am bringing to you concerning this.

I am the strength that is being poured into you during this season, and I am the wisdom and the understanding being poured into you during this time, and this is only through fellowship with Me by My Spirit. It is My Spirit who waits to escort each one who loves Me into My Presence, for He is forever with you. As you are in Me, He is in you, in all that you do. You are entering into the room of a new awareness of My Spirit and His fellowship with you. There are understandings about Him I have wanted to reveal to you. He is a Forever Friend with you, and He is your Companion in My Presence.

The time period that has been waiting for you is upon you to enter into greater fellowship with Me, for My abiding Presence—it is key. Come and make the

time to hear Me. Come and make the time to walk into the grace that awaits you. This grace brings you into fulfilling more and more of the longings in your heart to know Me and to see what your heart has cried out to see.

Come, take time with Me and let this fellowship be something that never falls away in your walk with Me. I am strengthening this foundation of fellowship into an ABIDING in Me.

**PT100207A – Feb 7, 2010**  
**Precious—Your Use of My Word**

Do you know how precious your use of My Word is? It is as tenderly intimate to Me as your times of expressing your heart to Me in worship. The foundation of all relationships is truth, and My Word is truth.

I consider it a time of intimacy when you speak truthfully about yourself to Me through the speaking of My Word. It is My delight when you speak of yourself according to My Word, for our union is in these truths you speak. We are united by truth. My nature in you is truth. My words are truth. I have given you the Spirit of Truth to lead you into all truth. We are united in truth.

Each time you draw near to Me, I am ever with you and ever ready for you as you approach Me. I never leave you or forsake you. I am always near to you and welcome each time you draw near to Me. Our life together is a fellowship, and as you are conformed to the truth, through the understanding of it, you will understand more just how dear to Me this fellowship with you is. Our fellowship is everything to Me. You are everything to Me.

Intimacy is you drawing close to Me in truth, for our life together is in truth. I consider it sweet and I consider it intimate when you take times of speaking My Word to Me in the process of transforming your soul. In any intimate relationship, truth is the foundation—and My Word is truth. As you come to Me in worship with the truth of My Word and what it says about you, you have stepped into that place of the sweet fellowship of you being truthful about yourself, just as I am always truthful about Myself to you.

The core of our relationship is the truth about Me and the truth about you. Our relationship revolves around this. So understand when I say that your times with Me of embracing My truth and your times with Me of worshiping Me based on truth are very sweet to Me indeed. Whenever you take My Word and fill your mouth and heart with truth to be conformed to it, these are treasured times to Me. It is very satisfying when choices are made for Me by choosing My Word. My heart rejoices at the truth in you, and My heart rejoices at the transformation it brings. This is the heart of our union—My Word of life in you.

Understand My pleasure each time you choose My Word over everything you see and hear around you. And know My utmost pleasure as you allow My Word to transform you through the use of it. You draw near to Me when you draw near to truth.

**PT100207B – Feb 7, 2010**  
**A Firestorm of My Life Spread Through You**

Time is running out. This is why many know the importance of pressing into Me. The runners are moving into places in Me where I release things, and it will be so pleasing to Me. In these places in Me, I will begin to do things that the world has not seen.

For many, the press is a push because the enemy is using what he can to make it hard to advance into Me; however, runners do not stop and runners do not let up in their daily training with Me. It is a time of advance. It is a time of a push forward into Me. What I have been preparing in each one who is running into Me is near to being released.

The armor you are dressed in is to be used in prayer for all saints. Pay attention at this hour. Uphold the family in prayer so that those who are susceptible to being trapped would be able to be free. It is crucial, for the things that lie ahead will require the peace found in Me. Run as if a torch were in your hand which I am keeping lit. I am causing the flames to burn brighter and stronger in this time with Me. Run as if a torch were in your hand being continually lit by your fellowship with Me. See the image of “igniters.” This is being poured into those who are running into more and more of Me. Use what I pour into you and pray, upholding the strong and the weak alike so that all might see more of Me.

As the igniting flames burn stronger, where you are, I will be able to move. Those who carry the flame of My love and My power are those who walk in the nature of My love and the soundness of My truth. And because the fullness of My image is being built in you, I will be able to come where I send you and ignite the flames of revival through My love and truth in you.

Because you are there, I am there in soundness of truth, in love and in power. I will move and fires will be started by each one I am allowed to move through in My love and truth. Let the fire of truth and love be as a firestorm of My life spread through you to others. Those who are My runners are the torchbearers of My love and truth, and the power of My Spirit accompanies you.
