

Building Your Hope in Me

As you enter into this time of building your hope in Me, know one thing:

It is not your performance that gives you entrance to the promises you have from Me, for I performed all things so that you are now free, free, free to receive.

Worship is a powerful way to build your hope in Me and to position yourself in the place of your standing in Me where all is done. Do you know that it is My performance that you stand in?

Do you know that it is what I have done for you that gives you this place in Me so that all that I have is now yours?

It is not your performance I am judging, for all has been judged in Me. The only matter now, is your standing in Me, for My performance accounted for all your failings—My sacrifice paid for these things.

Take these words to heart: Your account has been paid in full. Your debt is canceled. Your balance sheet is clear and clean.

All that kept you apart from the promises that are in Me has been cleared from your account and you are now free to receive. As you step into the hope of your standing in Me and the glory that is yours in Me, you will see things far beyond what you have dreamed.

The enemy is screaming and talking to many about what they see. In the midst of the storms is the quiet place where I am speaking and what I speak is the truth about what you see. You have victory in Me. In My love, I have accomplished for you all things. You are free to freely receive.

Worship is a place of quiet where the troubled soul finds peace.

Worship is a way to enter into the shelter of what My Word speaks.

In worship there is a quickening of the hope that is alive in Me.

In worship there is a sustaining and peace in the midst of storms that buffet and never seem to cease.

Worship is an avenue of great strengthening and through worship you see the truth that is in Me and your spirit receives.

As you take the hope-building power that is in My Word and worship Me, My Spirit will help your eyes to see Me and your life in Me and you will not be the same.

You will not be the same, for you are never unchanged when you drink of Me.

My Victory Is Not Deserved—It Is Received

My victory is not earned. My victory is not deserved—it's received. It's received and paid for by the blood of My Son, so receive.

Walk in victory. Trust in victory. Believe in victory. Look to victory. Look to victory. Look to victory!

Receive it, My children, receive it. Receive it. Hold on to it. It's yours.

The Battle Has Already Been Won

Don't let your knees get feeble and your legs get weary.

Don't let your heart be disheartened or your courage be discouraged.

Be strengthened and know: This fight is not yours. Victory has already been given to you.

The battle has already been won.

Walk—walk with Me and trust Me.

The waves of pressure, of defeat and discouragement that have hit you in wave after wave of discouragement and defeat that are trying to teach you that you are defeated—

they are lies.

Walk through them. Don't listen to them. Don't receive the emotions of them but walk through them.

And hold on to what I have already given to you—the victory.

The devil and the enemy have already been defeated. Your battle is not with them.

Walk towards Me and follow Me.

The Time for Rejoicing and Happiness Is Right Now

The time for rejoicing and for smiling and for happiness is not tomorrow, it's right now.

This is the time to rejoice. This is the time to be excited and encouraged because My truth is truth today as it will be tomorrow.

So don't wait for tomorrow to happen before you get excited and rejoice and trust and are at peace.

Be excited and rejoice today because tomorrow will come, but it is already here—it's already done.

My Word is truth.

Believe in the Miraculous

I long for the time that the world can see My heart and My love for them.

I ache for them to see My love. **Please** continue to follow. **Please** continue to trust Me.

I long for the moment of My power to flow. I long for that moment. The world will see Me, not just through words, but through My power being displayed.

There are many, many mighty signs and wonders coming.

I will show you. I will surprise you, for even what you think you know is not close enough to what I know and what I want to do through you and for you.

Believe. Believe in big things. Believe in great things. Believe in the miraculous. That's where I live—that's normal to Me, and it will be normal to you.

My Words Are Truth From Your Father

I'm not a man that I can lie.

You know—you know the words that I have given to you, the ones that you know are from Me.

Filter through the papers of prophecies and words, and you know which ones are in your heart that I have spoken to you.

Do you think I can lie? I cannot lie.

So don't believe what's around you and don't believe the lies of the enemy. He's the father of lies.

My truth—My Word that I have spoken to you, the personal words that you hold onto, they are truth.

They are truth from your Father. Hold onto them. Hold on tightly to them. Because that is where you will be if you follow Me. Don't slow down. There is no other way—just My way, that's it.

So when you feel and are overwhelmed with wonder and defeat or failure or thoughts of failure, just remember what I have spoken to you.

Remember those times of intimate words that My heart has spoken to your heart, the prophecies that have been spoken to you in the past that were personal to you. They are not just words on a paper.

They are My Word.

They are My truth,

so you can hold them as truth and believe in them as truth.
