

SELECTED RHEMA WORDS OF FELLOWSHIP

Come up higher, says the Spirit of Grace, for it begins with the hours of fellowship that must take place between My Spirit and yours that you may receive the training that I have for you. Willingly, willingly receive the training that I have for you, says the Spirit of Grace, for there are many things ahead that are pleasant things. Things to be desired. For he who becomes My servant shall have great honor among those whom he eats meat with. Hear what the Spirit would say, and come up higher. Your training awaits you, but this must be the walk of My Spirit.

You have said in your heart that *this life does not seem very appealing to me, for I am called to give up those things that I esteem the most*. Hear what the Spirit would say, for only those who have not walked in a degree of My peace and fellowshiped with Me enough to understand what My fellowship can be would make this statement. Know this, you who have ears to hear, that which has given you your greatest joy shall deepen and become stronger and stronger in My Presence with your fellowship with Me. For how do you know what you want if you have never had it before? Hear what the Spirit would say: Many are called, but few are chosen, for you must walk by faith and not by sight. My fellowship with you is the greatest reward in these things that I have called you to walk in, and that your enemy can never take away.

There is coming a time when those who hear what I say will be lost in My Spirit, and not only will you receive instructions of the mind of Christ, but your transformation to My Word and truth will be almost instantaneous. You will come in totally yielded and walking in a new anointing in a matter of days. But the preparation time to serve from that table is a time that I must collect those together to create an atmosphere conducive to a service that is ordered by My Spirit. Resist not worship. Resist not waiting on the Spirit of the Lord, for I have yet many things to say, but you have cut Me off with your anticipation of other things. Hear what the Spirit would say, for there is a people who must learn to wait on Me once again that I may give them the things off of My table.

For much answered prayer revolves around fellowship, says the Spirit of the Lord, for when you draw nigh to Me, I draw close to you and there is a place in Me where a rapport develops. You flow in My Presence, yet, I

flow in your presence, and you who abide in Me and live in Me, I abide in you and live in you. When My Word lives in you and you live in Me, when My Word becomes part of you and you become part of Me, it is he who can ask what he will and it shall be done.

For many have risen in hope but only to have their hope discouraged, says the Spirit of the Lord, because many have sought Me but have sought Me wrongly, for they have been taught the precepts of men. Oh, hear what the Spirit would say: There is a path, there is a path, yet it is through the power of the Holy Spirit, and this path is ordered by the Spirit, says the Spirit of the Lord. Hear what the Spirit would say, for I have desired to quench that thirst on the inside and to feed that hunger, but in order for this to take place, you must draw close to Me as I draw close to you, for there is this fellowship in Me. So the Spirit would say to you even this day: Learn to fellowship with Me supernaturally and I will fellowship with you.

Did you know that I maintain a secondhand fellowship and love affair with many of My people? If I gave them this incredible wealth, they would walk off with it and quit fellowshiping with Me. So I know that I cannot give it to them. Therefore, they are only fellowshiping with Me because I did not give them the money. I know that if I give them the money they will walk off with it, so their fellowship with Me is secondhand. But because I am full of grace and I am love, I take it anyway. *And some of us don't prosper because we don't know how. But some of us, He knows, would quit fellowshiping with Him. But our fellowship is more valuable to Him than the money that we would give Him. He holds priceless the times when you come and get into His Presence and then love Him, and love Him, and love Him. Priceless times. Priceless. But see, you can have both!*

So say no longer that you are not responsible for where you walk. You are responsible, for you chose not—you chose not to fellowship with Me that I might change that which is in you from *cannot* to *can*. So therefore, you have become accountable, says the Lord, and you can because you know how to fellowship with Me that you might be able to do what I have told you to do. Therefore, you are accountable. Hear what the Spirit of the Lord would say.

For it's My worship, says the Spirit of Grace, that prepares the ground. Worship prepares the ground. For many desire to be led by My Spirit, but where there is no fellowship with Me, instead there are torments, there are fears, there are uncertainties. My Spirit bears witness with your spirit that you are My children. But hear what the Spirit of the Lord would say: Where peace is, that is where I am. Pursue peace and you will be following after Me. If you have no peace, do what's necessary to repair the breach that you might once again be in that sweet fellowship with Me that I might lead you by that inner witness, says the Spirit of the Lord.

For those times of fellowship with Me, it is the time when I impart understanding, is the time when you come to know the intimacy of fellowship, is when I deal with you about those fine things that hinder your fellowship with Me. Hear what the Spirit would say, for a man to be exalted, for a man to build himself up on his most holy faith, you have to be willing to let those things go that stand between you and Me. But My desire is to fellowship with you, and the closer the fellowship, then the more, the more the anointing the more the walk.

One thing God loves from you that He can't get from another person is your fellowship. He loves the day that you are weaned from milk and diapers, when you don't have to go to anybody else anymore, and all that time you now spend with Him. He is very jealous. He wants to fill Heaven with human beings. He is very jealous. He loves you. He doesn't want to wait until you get to Heaven to begin to fellowship with Him. He loves it when you fellowship Him with the affairs of this life, insignificant little things. What do you think intimacy is?

For when the enemy causes you to break fellowship in the intimacy of the walk which many of you have walked and have been introduced to, and when you step back from that level of fellowship with Me, then the enemy doesn't stop. He celebrates his victory and allows your senses to accept where you have gone and then he reorganizes and comes back to take more ground from you, more fellowship, more ground, and more fellowship. For I am jealous. Oh, I am a jealous God, says the Lord.

He wants you to know a desire of His: That you would come back, that you would come back, come back. I am not talking about a backslider. I am not talking about somebody that is flirting with the world. I am

talking about you who have lost that edge and took a step back in fellowship. He wants you back, He wants you back.

“What? What? Don't tell me that. Don't tell me. That's not true; that's not true.” Those are reasonings; it's what strongholds consist of. You say that you don't have time. Don't you know that lack of time is just one more mountain that I move for the hungry heart that wants to know Me? For first, you offer yourself as a living sacrifice. First, it's the hours that you sacrifice, every minute you spend with Me has cost you a minute of sacrifice from somewhere else. Anyone who desires that kind of fellowship with Me, I will begin to organize your planner. And the first mountain I will move is that which stands between Me and you and more fellowship.

There is nothing I will not do for you. There is nothing I will not do for you, says the Lord. For those who will walk with Me, love Me, and have fellowship with Me, and learn of Me, and just spend time with Me, and get to know Me, for those, there's nothing I will not do for you. And all of Heaven and all of the Father's resources belong to you. You are My joint heir, says the Lord, and all that the Father has is thine because all that the Father has is Mine. There is nothing I will not do for you, says the Lord.

Ask largely, ask largely, says the Lord. Ask largely. Small victories are good, but small victories bring small glory to My Name. Ask largely—I enjoy large battles. For in large battles My name is glorified among the heathen that they may know that there is the true and living God and that He dwells in you. Ask largely—I enjoy great victories, says the Lord.

For what is My desire? says the Lord. Is it not that I might have fellowship with you? Are you not bone of My bone and marrow of My marrow, one with Me? And to fellowship with you is My desire and My delight. For your fellowship with Me, says the Lord, should be your desire and your delight. For rejoicing and rejoicing that your names have been written in Heaven, while looking not at things which are temporal but looking at the things which are eternal.

Hear what the Spirit of the Lord would say, that I saved you to be with Myself and I saved you for fellowship with Myself. I will take the fellowship from you when you are fellowshiping with Me over needs if that is all the kind of fellowship you want to give to Me. I will take that,

just over your needs. But know the delight of the Lord; know His delight is that when you enter into My Presence to worship Me and glorify Me that I might fellowship with you. For he who worships Me, worships Me in spirit and in truth. For I seek such to worship Me, says the Lord, and he who enters into My Presence for the sole purpose to worship Me is the soul whom I delight in. And for this person, I will put wealth in their house; I will put riches.

Hear what the Spirit would say: He who has ears to hear, hear, hear what the Spirit would say, for if you would enter into those times of worship and fellowship with Me, then in all the areas of your life, I would make you free. I would give you abundance and health, and wealth, and your soul would prosper. Everyday would be a delight, everyday would be full of happiness, which is the fruit of joy. Everyday would be fulfilled in Me, and so goes it with the man who fellowships with Me, says the Lord. So hear what Spirit would say: I delight in fellowshiping with you over your need, but even more, because you desire to fellowship with Me.

Is there anything too hard for the Lord, is there anything? No, no, My children. There's nothing too hard for Me. And for he who would spend time in My Presence and get to know Me, know you not that I will give you the little things? I will give you the little things—the little things that make the difference. I will walk with you and talk with you. So goeth he who fellowships with Me.

Those who are strong in character and strong in will and take the extra times when the other people are doing what they do, that you come into My Presence and sacrifice these times, soon they will not be sacrifices; they will be great times of fellowship and worship. For I will give you time, the time that you used to spend fellowshiping with circumstances, I will give you that time because I will give you authority.

Hear what the Spirit would say: He who fears Me will worship Me and I will come and add Myself to him and put wealth in his house and riches, and his seed shall be mighty, for there's nothing that I will not do for the man who is bone of My bone, marrow of My marrow, who has entered into an intimate fellowship with Me. I will walk with him and talk with him and make his wisdom great in this earth, says the Lord.

For where you are and what you are is what I am fellowshiping with. But when you spend time in My Presence, I work change. I work change. I

work change. I work change, and when you were here and then you are here, My fellowship is with this change. And then you are there and then you are here and then from then on, My walk is with you there. You may have whole seasons that you have nothing that you can do but minister My Name, My Presence, and My Spirit in every waking hour, and I am with you because I fellowship with you where you are walking with Me. And then you come further and I fellowship with you there.

It is not a walk of condemnation but a walk of fellowship. And if you called My Name out to crowds twenty-four hours a day and harvested, you would increase in My Presence and I would walk with you in each new place. And when you stop and pull Myself into you and yourself into Me and attain new places, I walk with you in those new places. There is nothing that I would not do for you and in you. Therefore, delight yourself in Me and I will grant to you the desires of your heart.

It is in this manner that not only do you win over the one thing, for it is in this manner that you win over all. The only thing that varies is the strength of the keys that you use which delivers you to My grace. For is there not praying in the Holy Spirit? Is there not a communion in worship? Is there not fasting? And all these are designed in the self-same thing—to magnify, to amplify, and to establish My standing in you which I have given to you by My grace. Therefore, consider yourself strong when you are weak. Let the weak say, "I am strong."

Consider yourself to be tall in the spirit when you come up short. For know this, that when you establish yourself in the laws of the spirit and maintain them and are strong in your fellowship with Me, all other things will be brought under subjection to My grace, therefore, solving your problems—no matter how trivial or how large it may be to you—therefore, rejoice and know that it is in My fellowship with you that you will find your answer.

I said it once and I will say it again, and later, I will say it again, then after that I will say it again. And later I will say it again: It is My fellowship with you that I am after. Oh, I will provide the wisdom to make you wealthy along the way as long as your fellowship with Me is rich.

I will say it again: It is My fellowship with you I desire, for I am He who sits on the perimeters and the circumferences of everything that is. I am Victory and I have no limits. My desire is to have an all-inclusive fellowship with you, for I can fellowship with you any moment of any

time, throughout all eternity, just as I can fellowship that same moment with all of My creation. Therefore fellowship with Me and I will give those things that you need to make your life complete.

Come unto Me, you that are heavy laden, and take My yoke upon you to learn of Me and you will find that rest for your souls. [Matthew 11:28] What I do for one I do for all.

Have I not said, "Is anything too hard for Me?" [Jeremiah 32:27] I am the God of the impossible, and even in all of this, know this, says the Lord: When I begin to do notable miracles for you, always remember it is your change, as you grow closer to Me, that I rejoice in. For the miracles are nothing to Me, but your fellowship is everything.

My Spirit has been waiting to release My plans at the graduation from the "schools of preparedness," and now diplomas are being handed out and the emerging form hiddenness is the hour that is at hand.

The theme of fellowship has been a part of every phase of this school of preparedness and many, many have answered the call to fellowship, laying aside everything else, for fellowship is the pure foundation and the depths of the foundation of every wise steward.

Take all you have learned in this training in fellowship and continue in it as you see change come and circumstances change, for the fellowship will remain the same. And I look forward to the fellowship in this next phase of the journey as My sons walk in the provision that comes by My hand.

Look up beyond your circumstances and smell the rain.

Do you know how precious your use of My Word is? It is as tenderly intimate to Me as your times of expressing your heart to Me in worship. The foundation of all relationships is truth, and My Word is truth.

I consider it a time of intimacy when you speak truthfully about yourself to Me through the speaking of My Word. It is My delight when you speak of yourself according to My Word, for our union is in these truths you speak. We are united by truth. My nature in you is truth. My words are truth. I have given you the Spirit of Truth to lead you into all truth. We are united in truth.

Each time you draw near to Me, I am ever with you and ever ready for you as you approach Me. I never leave you or forsake you. I am always near to you and welcome each time you draw near to Me. Our life together is a fellowship, and as you are conformed to the truth, through

the understanding of it, you will understand more just how dear to Me this fellowship with you is. Our fellowship is everything to Me. You are everything to Me.

Trusting Me, so that you allow Me to move through you, comes by our fellowship. It is also through this fellowship that you agree to My Spirit removing those things of the soul that rule in you. Our Kingdom excels through trust, and this trust comes as you know Me and spend time with Me, by My Spirit.

Take the life of My Son as your example. He knew Me, He loved Me, He fellowshiped with Me, and He totally trusted Me. He did nothing without Me, and He did everything for Me. His life was totally given over to Me. There was not one part of His life or one moment of His life that was not lived for Me and in Me as He walked on this earth. He was devoted to Me: This was the fruit of His fellowship with Me.

Each moment of fellowship with Me, you grow closer to Me and grow in your devotion to Me as you live more by My life within you. Your life in Me is in our fellowship together. Our life is a fellowship and only a fellowship, for it is in your union with Me that I do all things.

It is with great joy that I see My family recognizing this place of fellowship with Me. I did not create a family for the express purpose of doing great things in My Name. I created a family for the purpose of deep and intimate fellowship with Me, whereby I live in you and you live in Me, and together we walk as one very, very intimately. The works that you do are the fruit of our fellowship and intimacy.

The life My Son lived exhibited the fruit of our fellowship. He did miracles out of this fellowship. He spoke out of this fellowship. He loved out of this fellowship. He laid down His life out of this fellowship. He became sin out of this fellowship. There was nothing that was done that did not come from our fellowship. It is this level of fellowship that you move into as you continue to press forward into our love for each other. Knowing Me is knowing Me in you, and it is the fruit of our fellowship.

Fellowship—fellowship with Me—it is the only thing. Mine is a Kingdom of fellowship, and those who know Me most walk in the greater authority. For in intimacy is the greatest seat of authority, and it is through our fellowship all things are done.
