What Is Coming Shall Sweep Nations and Continents

For what has been seen, rarely, shall be seen often, says the Lord. Those things that have come here and there like smatterings to the point that the people thought I was picking and choosing—no, it is where I was allowed. But what is coming shall not be a smattering here and there. It shall be rivers of living water that shall sweep nations and continents with the Gospel of My Son before My return.
