A New Day Is Dawning

Continue to scan the horizon with the eyes of your spirit, for you are rapidly approaching a new day where the light you walk in shall be so bright that what you have walked in up until now shall seem as darkness.

You have now learned how to reach through the veil and appropriate those things from the spiritual realm—to appropriate those things which are truly your inheritance. The things which are above, you have set your affection upon, and now they have become your treasure. And as you gather them unto yourself, there is a reordering within you, a new understanding of your identity, a new understanding of who you are that shall release the moving of the Father's Spirit to reorder all things according to His will.

Continue, continue to yield yourself unto Me, says the Spirit of Grace. You are appropriating now. As you mature by those appropriations, the eyes of your understanding are being opened more clearly and more clearly to the light of My counsel as I bring the mind of Christ to you on a day-by-day, moment-by-moment basis.

All that you have seen in your spirit as being possible, all of those things are possible, says the Lord. Not only are they possible, but they have been the plan of the Father all along. But as the Firstborn said, the way is narrow into those things. The way into those things is narrow indeed, and few there be that find it. But you have found it.

I am pleased that you continue to come and sit in the classrooms of My training that I may bring your walk into the light and onto the path that He has ordered for you. Be encouraged. Let nothing dissuade you. Let nothing divert you. Let nothing discourage you. Continue to be ruthless in the giving of your time in My classrooms. I say again to you, there are no limits to the dominion I will bring to your spirit that the Father may be served by the life of Christ within you.

Only Believe

Now is the year. I have not been preparing you for nothing—for no power. Now is the season of co-laboring with the Holy Spirit, setting your focus not on your shortcomings but on your life in Me.

I am not afraid of your shortcomings. I am much bigger than those things. I have been preparing a people whose hearts have been continually following after Me and continually pressing into the narrow way where I need them to be—a place of co-laboring with My Spirit and acknowledging and believing the life in them that is of Me—a people trained to co-labor.

This year of power is the year to launch out into the deep. You are a people who have been prepared and equipped by Me. Your life is of the realm that is in Me. It is not a life that can be visually or naturally examined. It is a life that is spiritual and seen by the unseen realm.

It is a year of standing up tall in who you are in Me. It is a year to “only believe” and to walk out your life in Me—a life of power and co-laboring. It is not about you in the realm of that which is seen. It is a year of the spiritual Kingdom, the realm that is not physically seen but spiritually walked in.

It is a year of co-laboring with My Spirit in His power, and the life in Me is the life I need. It is the heart within that has pressed past many things that I have been preparing to believe. Believing is the door to these things.

Many times you will be given the opportunity to “only believe.” You will not look at the natural realm, you will look through the eyes of truth. You will perceive by the mind of Christ, and you will hear the voice of the One who is your Helper in all things.

It is the year to “only believe.” This is the door to the power you will be a part of this year and beyond. Fasten your heart to only believe. Fasten your heart on these things and meditate on who you already are in Me. You are alive in Me. You are accepted and approved and one with Me.

You are alive in Me—it is in Me that you will co-labor with Me by My Spirit and see many, many things that I have been preparing you to see. The narrow way—the way of My Spirit bringing you deeper and deeper into Me—continue in this way and follow Me into wondrous things.

A Church who looks not at the seen but the unseen, which is life in Me and a place in the Father with Me as joint heirs—you are prepared for these things. It is the year of My power. It is the year of co-laboring. It is the year to only believe.

Give Credit to Every Little Thing

I would say to you, says the Lord, that many of you have not even noticed the little things that I have asked you to do—that you did—that touched lives. Many of you have not even noticed the little things that I asked you to do, and because you did it, someone's life was saved and changed and touched and ministered to.

Give credit to every little thing, says the Lord, because in those little things, I am now able to touch someone else and rescue them and encourage them and show them My love through you.

PT150118A – Jan 18, 2015
You Are Marked for a Great Revival

It is My great pleasure to bring things to you. The joy and rejoicing when they come to pass—it's His thrill. He just loves it when the things He promises to you come to pass.

And as time goes by, you will see Me in My power, and you will see it coming to more and more of a fullness as this revival I have given to you begins to manifest. So rejoice and be glad and worship for the ones who will be born again. You let Me move through this—cities with My revival. For My great desire is to have a great revival and multitudes to be saved, but I must have something to work with.

Be strong, for these days are ahead, and you are marked for a great revival. So rejoice and be glad. It has had its time in getting here, but it is going to manifest. So be strong, be patient, and believe what I have told you.

PT150118B – Jan 18, 2015
A Major Step Has Been Taken

A step has been taken, a major step in the direction that has been set for this hour for you to receive what I have sent. And you will see, you will see the changes begin to take place. So be strong and know, what you have been believing for is going to begin to happen. And for Me to have this taken into this time zone, then going to the next, and the next, I will be able to outpour even a stronger revival. So rejoice like you have already been there, and you will have a great time with Me as we make this journey across this desert.

PT150128 – Jan 28, 2015
A Time of Refreshing

I can hear these words: that there is a grace that's being released—a time of refreshing, of His Presence—that you can mark, mark this time, this time right now, that you are going to notice a difference.

It is a time of refreshing. His grace is going to empower us more—His Presence. And the enemy has tried to stop [us] relentlessly, but our God is bigger. And there is a grace that is being released.

PT150130 – Jan 30, 2015
I Will See You Through

The circumstances can “rage” against you, and the waves of emotions can seem hard to stop, but I **WILL** see you through. I will see you through. Keep your heart fastened on Me, for I am always willing to help you through to victory. My Word is true. Hear Me whisper to you: I **WILL** see you through.

When the heat of the battle is intense and emotions make it difficult to find your strength in Me, lift up your heart and begin to sing and begin to say the truth that is in Me. Choose to put your trust in Me, not in what you hear and see. I will see you through—all the way through—your victory and your strength are in Me.

When battles seem too long and you find yourself feeling weak, turn your eyes to Me and what I have promised. I will see you through. Circumstances are never a

problem to Me, no matter how dark they may seem. I am Everything you need. I am your Strength when you are weak. I am the Power to see you through.

Don't look at tomorrow and what it may bring. Live today in Me. I have already looked at tomorrow, and I will see you through. One day at a time, one step at a time with Me, that is enough to see you through. Keep your heart and the eyes of your life fastened and focused on Me, and together, we will make it through to the other side of what you are facing.

Don't fear the steps. Don't fear the challenges you may see, because I will be with you to see you through. Each step of the way, keep turning to Me and what I have said to you and lift up your heart and rejoice, for I am taking you through to victory.

Not one day, not one moment is too dark for Me. I see ahead of you, and I see a celebration of victory. Keep your heart fastened on Me. I am your Answer in everything. I am more than enough to see you all the way through.

The life you live is in Me, and in all that besets you, I intend to see you through. Every step—each day, each hour—look to the One who will see you through. Keep your hand in Mine and choose, choose, choose to lift your heart to Me. I am the One who helps in all things, and together, we will walk through to victory. There is not one thing that together we cannot walk through—I will see you through. These are My promises to you.

I have accomplished all things, and I am more than enough for you—I will see you through.

PT150201 — Feb 1, 2015
In Your Darkest Hour, I Am With You

In your darkest hour, I am with you. I will not leave you. I will not forsake you.

There is no need to fear. I am with you. I am in the ship with you. Don't be moved by the storm. We shall arrive at the other side. I am in your boat. Fear not. Fear not. I am with you.

I will never leave you. I will never forsake you. You are Mine, says the Lord.

PT150211 – Feb 11, 2015
I Will Always Give Grace So You Can Win

Even if you have been dragging your feet, but you start today with Me, you are not behind and you are not late. And it might seem like you are behind because you have delayed, but I am telling you today that you are not behind. Start with Me today. You have what you need to obey Me, and you can win, and I am in your corner saying, "Let's do this. Let's do this. We can win it." And I will never abandon you, but I will always strengthen you and give you grace so that you can win.

PT150308 – Mar 8, 2015
Come Away With Me

There are rooms of fellowship where He wants us to go. I could see Jesus beckoning, saying, “Come this way with Me. Come this way with Me. Come away with Me.” And there are places of intimacy and rooms of fellowship that He wants us to enter into personally, in our own lives, which is lifting our hands and getting alone with Him and saying, “I love You,” deciding to get alone with Him and say, “I love You” and spend time in worship, personally. And I can hear those words, “I am beckoning that you come away with Me into these rooms. I am asking you to come away with Me into these rooms. I am asking you personally to come away with Me into these places of intimacy, these realms of fellowship.” And they are available, but we have to decide to do it.

PT150311 – Mar 11, 2015
My Heart Longs for You

My heart longs for you, says the Lord. I long to fellowship with you. I desire and delight when you come to Me, when you choose the moments of your day to lift your voice and worship Me and say, “I love You, Daddy.”

I rejoice when I hear your voice begin to pray. I rejoice. It blesses Me. I receive from you when you give yourself to Me. You see, it is not just Me giving to you, but I receive from you, says the Lord. My heart is pleased. My heart begins to leap. I rejoice over you with joy. I delight in you, says the Lord.

I am not a Father who is not touched with the feelings of your infirmity. I know how you feel, for My Son came in My Name, in My place that you might know that I can identify with you through His humanity, Him humbling Himself. He shares all those things with Me, says the Lord. I sensed all of those things. I feel all of your pain. I know exactly what it is to live as a man, for I created man, and then I sent My Son as a man that I might redeem My man.

I never desired that man would not know Me or be put away from Me, but the enemy came to try to deceive and to lead him astray, but I purposed in My heart that I will have My man, that I will redeem him, that I will bring him back unto Myself. So I set forth that plan, and I brought My man back, and it delights Me.

You see, I defeated the enemy. I defeated him and stripped him of his power. Legally, he deceived man, tried to take them forever so they couldn't know the God that he once worshiped. He was jealous. He wanted that worship unto himself, but I said, “No,” because that is My creation, and that is My man. Because, you see, I am a jealous God, and I want you to worship Me and Me alone.

PT150322 – Mar 22, 2015
I Have Given You What You Need to Win

I have brought you to a place where I have given you what you need to win. So be strengthened and encouraged that you have what you need to win. So trust Me in

My grace. Things will be uncomfortable. Things are going to get very uncomfortable, but trust Me and know that I have given you what you need to win by My grace. And when things get so uncomfortable to where you want to run, stand—stand strong—because that is the time that I am empowering you the most to win.

Do not run back to what has always been but stand and resist, because I have given you what you need, and I have empowered you, and I take delight in you. And I am so pleased with you. So trust Me more as I lead you by the hand out of the very things that have stopped you.

PT150330 – Mar 30, 2015
Relationships Are Key in What I Am Bringing

This is the time of reordering things. Do not be surprised at relationships that seem to fall by the wayside. Let these things be and take heed to pray as I lead, for I am intent on bringing My order into things.

Those things that seem to be of Me but are not according to My purpose, I must reorder and bring change to, or they will become an interruption to what I am bringing, not only in individual lives but on a worldwide scale, and relationships are key in what I am bringing.

Hold onto nothing in your own strength and be careful to make nothing happen in your own strength, instead, wait, wait, wait on Me. I am in the midst of bringing many things into order. As I am allowed to bring change into individual lives, I will establish My plans and purposes on a global scale.

Relationships that appear to be according to My order may be shifted abruptly as I am allowed to bring My change into lives and circumstances. I must have the change, individually first, before I bring what I am bringing. Many relationships will and must change and be brought into a new level of My keeping. The enemy is very actively harming relationships and ending relationships and ordering his way of doing things. Guard yourselves and keep relationships on the altar of the change I am bringing. I will even bring “new” into old relationships, and I will bring greater strength into those relationships that have already been well-kept in Me.

I am bringing a restructuring in homes so that the teamwork will become very laser focused. It will not be one going here and one going there and from time to time uniting on things. Families will become very laser focused for those who allow My refining. They will become teams united as one laser beam, focused on Me each day and on what I am thinking.

Relationships are key, and that is why I am reordering and refining things. Those who have strayed but whose hearts have not left Me will return, but do not wait for these things. Continue to take your place in Me and receive new strength and refreshings.

Know that I have seen the hurts and disappointments many are experiencing, but never be stopped by these things. You must always stay the course into more and more of Me. I am Love, and I am reordering and refining many “rooms” in My Body that I am building. My workmanship has increased in those who have continued to narrow their focus in Me, and change is beginning to take place much more rapidly.

Take these things to heart: I am reordering and refining things so that I may bring forth My plans and My purposes in this hour, and relationships are at the heart of the matter in these things. Do not hold to that which I am not holding onto. Let Me bring the refinements that are necessary. Continue to trust Me and take heed to what I am saying as I bring forth My best in these things. Trust that I am expert at what I am doing, and know that I see the end from the beginning. Much good is what I am intent on bringing. I am building strong teams, and I am bringing change according to My planning. Trust Me and stay close to My heart on these things.
