

# I Am

2014

1. **I am** raising up a family who will trust Me and will follow My steps and not be afraid that I will abandon them. And when all hell comes against them, they will walk through, because they will not let go of Me.

2. What **I am** sending—the revival—will carry a weight and power that have not been recognized very many times through the centuries.

**2b.** I will come in with such definition that you will be able to define what **I am** doing and know that nobody else could do it but Me.

3. Be at peace and know that **I am** walking you through every storm, through every battle, through every fear. **I am** walking you. **I am** walking with you. **I am** walking for you.

4. Keep trusting Me. You have come this far—make yourself accept the peace that **I am** giving to you, and know with confidence: I cannot lie. I would not lie to you.

5. In your times of struggle, in your times of fight, those are the moments I desire intimacy with you so I can tell you: **I am** here. So I can whisper in your ear: You are not alone. You are not going through this alone.

6. There is not anybody in here that **I am** not offering the gifts of healings and miracles to, but you must know that the Word flows here the way it does because it is [for] equipping also, for this is not the usual “babysitting” church. This is a church **I am** relying on for revival, says the Lord.

7. The things **I am** doing now, I must do. With Me, they are timely, and I do something over here and something over there, and I use what I have.

**7b.** **I am** coming with healing, for it is within My Word.

8. Why do you worry so much? Why do you worry so much? **I am** the Father of impossible. Wouldn't it make sense to agree that if you follow Me, we will walk towards the impossible, because what is impossible for you is normal for Me.

9. When you feel like no one notices and when you feel like you are not accomplishing much, mark down these words: that you are My servants, and you have done what I have asked, and **I am** very pleased. And get ready, because we are going to push through darkness.

10. There are those who never lost the vision, nor did they stop their prayer. For in these things that **I am** working in them, they are moving up closer and closer, and in this closeness, **I am** going to be able to give them instructions [so] that you will see cities shaken one by one. For the dreams that many of you talk about—the children’s hospitals—these kinds of places, I would gladly, gladly empty these if I had something to do it with.

11. You think that I don’t long to go from city to city, reaping a great harvest with all the communication that is available in this century? **I am** [longing], and I have talked about these days of revival. But do not lose hope. Because the battle was long, many gave up, but I haven’t, says the Lord, and I will have My revival.

12. **I am** going to bring this authority. You already have it as a seed. You already received it as a seed when you received Christ, but **I am** wanting you to know the way **I am** thinking, the way **I am** thinking. My “laser focus” is now is the season to give you the authority to defeat the enemy in everything that you are struggling with right at this moment.

13. I will not fail you—purpose in your heart to inhabit the place of triumph. It is already prepared for you and **I am** with you each step of the way.

14. *Because a person has the gift of healing, they will generally collect crowds and minister it en masse.* But that doesn’t mean that many of you cannot have that gift of healing just because you are not preaching. You can go places and be amazed at what I will heal under your hands because **I am** finding something to do it with.

14b. People are listening. This is the reason **I am** able to give things over to you in the preventing of some things and still an exalting and lifting up [of] others.

15. **I am** gaining ground through those who are walking with Me to capture this thing and overtake it and then hold it up and turn it into a revival instead of another downfall.

16. Think not that I do not listen. I listen and especially for your families, for your sons and your daughters who are abroad and who are spread wide. You mention their name—**I am** there. You hold them up—I will send people to get them saved if they are not saved. All I need from you is the authority to do this, and I will go after them for you, says the Lord.

17. Things are changing, because there is going to be an “up-step,” and this will be caused by people that have listened to Me and are going to march forward and bring what **I am** bringing to this city.

18. For **I am** bestowing honor on this place, calling you into the deeper things that even more of your life may be consumed on the altar of His will. **I am** calling you even deeper and farther, beyond those realms where the flesh will walk with you, beyond that realm—those

realms where your flesh will walk with you. **I am** honoring this place, and **I am** drawing you into that realm where the Son's voice is heard clear and where the power flows free and where Heaven is brought to earth and My Father's will is manifested.

**19. I am** pleased. **I am** pleased. Think not that **I am** [not] pleased with your walk to this point. Each and every one of you has put your hand into Mine and [has] let Me bring you this far, but now, **I am** looking ahead. I see where the path leads. I see the dangers and the glories that are there.

**19b.** So rejoice at this season—that you have come to a new place of consecration—a place where the flesh says, “This far and no farther.”

**19c. I am** pleased, says the Lord, and you shall be too when you see the fruit.

**20.** Know that **I am** available with you in everything and [available] for you to do all that I have given to you to do, which is good, which is good.

**21.** Today it is important that you make that determination at all costs—at all costs, you will follow Me into your calling, that you are willing to not let offense or hurt or wounds or lack, persecution or tribulation or nakedness or peril or the sword stop you from believing in Me and believing that I believe in you enough to lead your steps. This is what **I am** asking of you today.

**21b.** It is important, today, that you make that mark in your life so that **I am** free to walk you into wonderful, wonderful, wonderful things—things you know not of, things you do not see, things that man has not seen for centuries who followed Me and walked with Me.

**22.** For have I not said that **I am** in you and **I am** with you and **I am** for you? So stand in the truths that I have given unto you, that as you hunger and thirst after righteousness, you shall be filled.

**23.** There is nothing that I won't do, for **I am** the God of all glory, and I desire to reap a harvest in these last days.

**23b.** So stand fast, says the Lord, and hold on, for **I am** coming. **I am** coming in power. **I am** coming in glory. **I am** coming to manifest Myself in you and through you, says the Lord.

**24. I am** purifying fellowship with Me. A dividing began when I spoke of a time that was beginning when messages would not be “namby pamby”; instead, they would be messages for those who were ready to continue forward into a narrower place of fellowship with Me. This is continuing, but things have accelerated.

**24b. I am** taking My people into a fellowship with Me that is not restrained by the angst of the soul. My beloved ones are being purified and strengthened in these times with Me. They are not easy times on the soul, but they are good times. These truly are good times.

**25. I am** so pleased to be taking many into this place with Me.

**25b. I am** preparing an army who will serve Me, who will bring about swift justice indeed, and who will set many, many captives free—an army who abides in fellowship with Me.

**26. I am** equipping an army who hears Me, believes Me, and obeys Me. My words first in everything—this is the purifying I bring. **I am** fashioning a people to adhere to that which comes forth from Me and to consider it first in all things.

**27. I am** the Answer to all things, and in My Word that has been written and in My words that I speak and have spoken are answers upon answers and masterful equipping for everything you need.

**28. I am** training an army to take heed to My Word and to the words I bring, and My Spirit bears witness of these things.

**29. I am** choosing those who take heed, those who move with My Spirit into deeper fellowship with Me.

**30.** Excellence of fellowship is hearing and taking to heart that which I say to you and that which I show you. **I am** pleased to say these things, for many are ready to receive that which I bring, and I bring that which is necessary for equipping. I see yesterday, today, and tomorrow, and I know all things. I never bring anything unnecessarily.

**30b. I am** most pleased to say these things. It is what fellowshiping with My Spirit brings, and now is time to move forward in Me into deeper things of love, of faith, of service, of equipping, and greater understanding of many things. Hear and take heed to My Spirit, for He never brings unnecessary things.

**31. I am** calling generals. They are on hand to lead My people into the victory of the fullness of who they are in Me. They are My generals and are appointed to lead as they have been led by My Spirit—as a unit undivided, a unit one with Me.

**31b.** These **I am** calling do not look at themselves as generals but view themselves in humility, but **I am** calling them generals, for they have arrived at a place in Me of tender, teachable hearts and humility, and they have the strength they need.

**31c. I am** calling My generals, those who are united in Me; **I am** calling you to lead into fires and great victories, to stand together united, one with Me—walking in My victory, hearing My decrees.

**31d. I am** pleased this day at the unity and how you have endured in Me. It is part of your great victory—unity with each other in your unity in Me. You are banded together in My Spirit to lead the army **I am** equipping into the fires and furnace, emerging as an army—holy in Me.

## 2015

1. **I am** pleased that you continue to come and sit in the classrooms of My training that I may bring your walk into the light and onto the path that He has ordered for you.
  
2. Now is the year. I have not been preparing you for nothing—for no power. Now is the season of co-laboring with the Holy Spirit, setting your focus not on your shortcomings but on your life in Me.  
**2b. I am** not afraid of your shortcomings. **I am** much bigger than those things.
  
3. Give credit to every little thing, says the Lord, because in those little things, **I am** now able to touch someone else and rescue them and encourage them and show them My love through you.
  
4. The circumstances can “rage” against you, and the waves of emotions can seem hard to stop, but **I WILL** see you through. I will see you through. Keep your heart fastened on Me, for **I am** always willing to help you through to victory. My Word is true. Hear Me whisper to you: **I WILL** see you through.
  
5. **I am** Everything you need. **I am** your Strength when you are weak. **I am** the Power to see you through.
  
6. Don't fear the challenges you may see, because I will be with you to see you through. Each step of the way, keep turning to Me and what I have said to you and lift up your heart and rejoice, for **I am** taking you through to victory.
  
7. Keep your heart fastened on Me. **I am** your Answer in everything. **I am** more than enough to see you all the way through.
  
8. **I am** the One who helps in all things, and together, we will walk through to victory. There is not one thing that together we cannot walk through—I will see you through.
  
9. I have accomplished all things, and **I am** more than enough for you—I will see you through.
  
10. In your darkest hour, **I am** with you. I will not leave you. I will not forsake you.

11. There is no need to fear. **I am** with you. **I am** in the ship with you. Don't be moved by the storm. We shall arrive at the other side. **I am** in your boat. Fear not. Fear not. **I am** with you.

12. And it might seem like you are behind because you have delayed, but **I am** telling you today that you are not behind. Start with Me today. You have what you need to obey Me, and you can win, and **I am** in your corner saying, "Let's do this. Let's do this. We can win it."

13. "**I am** beckoning that you come away with Me into these rooms. **I am** asking you to come away with Me into these rooms. **I am** asking you personally to come away with Me into these places of intimacy, these realms of fellowship."

14. You see, **I am** a jealous God, and I want you to worship Me and Me alone.

15. Things are going to get very uncomfortable, but trust Me and know that I have given you what you need to win by My grace. And when things get so uncomfortable to where you want to run, stand—stand strong—because that is the time that **I am** empowering you the most to win.

16. Do not run back to what has always been but stand and resist, because I have given you what you need, and I have empowered you, and I take delight in you. And **I am** so pleased with you. So trust Me more as I lead you by the hand out of the very things that have stopped you.

17. Do not be surprised at relationships that seem to fall by the wayside. Let these things be and take heed to pray as I lead, for **I am** intent on bringing My order into things.

18. Those things that seem to be of Me but are not according to My purpose, I must reorder and bring change to, or they will become an interruption to what **I am** bringing, not only in individual lives but on a worldwide scale, and relationships are key in what **I am** bringing.

19. **I am** in the midst of bringing many things into order. As **I am** allowed to bring change into individual lives, I will establish My plans and purposes on a global scale.

20. Relationships that appear to be according to My order may be shifted abruptly as **I am** allowed to bring My change into lives and circumstances. I must have the change, individually first, before I bring what **I am** bringing.

21. Guard yourselves and keep relationships on the altar of the change **I am** bringing.

22. **I am** bringing a restructuring in homes so that the teamwork will become very laser focused.

22b. They will become teams united as one laser beam, focused on Me each day and on what **I am** thinking.

23. Relationships are key, and that is why **I am** reordering and refining things.

24. **I am** Love, and **I am** reordering and refining many “rooms” in My Body that **I am** building.

25. Take these things to heart: **I am** reordering and refining things so that I may bring forth My plans and My purposes in this hour, and relationships are at the heart of the matter in these things.

26. Continue to trust Me and take heed to what **I am** saying as I bring forth My best in these things. Trust that **I am** expert at what **I am** doing, and know that I see the end from the beginning. Much good is what **I am** intent on bringing. **I am** building strong teams, and **I am** bringing change according to My planning.

27. Those hidden things, the rooms of hidden training—**I am** calling you forward. **I am** calling you into the light that you may bear fruit for My Kingdom and harvest the fields that are already white, says the Lord.

28. Present order is being rearranged by My hand, and **I am** at work in realms that you cannot see. This is a season for trust. This is a season for worship, and this is a season of surrender.

28b. Trust Me that **I am** answering those prayers that you have offered up to Me. So be not alarmed when you see change, even if that change appears to you to be not what you expected.

29. The enemy, if he cannot drive you away with affliction and persecution, then he knows he must change his tactics and begin to allure you through the flesh to run after those things that appease and appeal to the flesh. That is why, in this season, **I am** emphasizing all that I have given you, and all that I have empowered you, and all that I have given you by inheritance by My Spirit to rise up as the mighty children of God that you truly are.

**30. I am** raising up My Body who will shake off the shackles that have held them back all of this time. They shall rise up, dream My dreams, think My thoughts, speak My words, obey My voice, and manifest My will in the earth. My Son shall be glorified, says the Lord.

**31. I am** Holy. **I am** True. **I am** Righteous. All who are born of Me have become partakers of My divine nature.

**32.** Sin is being called good, and good and holy is being looked upon as evil and judged as an offensive standard by many. I hold to a holy standard, for **I am** Holy. **I am** Eternal, and **I am** True.

**33. I am** restoring the truth of true and living fellowship with Me. **I am** Holy, and all who are born again have been made partakers of My life, which is holy. For those who will follow Me where I lead, there is a requirement to walk in Me in the way of righteousness and true holiness.

**34. I am** giving dreams and desires and motivations from My heart to My Body, and those who set their affection above the ways of earthly things are able to receive of these things.

**35.** If I were to let you peek ahead to the things you will walk in with Me, you would rejoice at what you would see, but for now, trust Me and hear My words and hasten to Me, for **I am** calling into even deeper intimacy all who will walk closely with Me. This is the walk of the spirit and the life of power that is your inheritance in Me.

**35b. I am** pleased at the surrender and yielding I receive. **I am** pleased at yearnings to live for Me. **I am** pleased at choices made daily in willingness to take up your cross because you love Me. Hasten toward these things daily. This is part of trusting Me. We are headed into great, great things. Live in Me and live free.
