

Every Treasure of My Love Is for You

1. When you come and meet with Me through worship, you give yourself to ME. My rivers come close enough to all of you—no matter what condition that you are in—to drink, for this is the law of My Presence: When I am present, you can drink. Therefore, when you enter into worship and surrender yourself to Me, this river will come to you, and [when] you drink and enter into fellowship with Me, I will refresh you, for there is a vast supply. I am your Supply, says the Lord.

2. Great strength will be found in the deep waters of worship. As the deep waters of your love call out to the deep waters of My love, an exchange will take place, and My love will be exchanged for your love, and My strength will be exchanged for your strength, and you will be changed. The wholeness in Me will be traded for the hurt places in you. My fullness will be exchanged for lack of fullness in your body and in your soul. My truth will come. My truth will prevail.

3. Many have been sensing the call to worship, and this is from Me. As you draw near to Me, I will draw near to you and great will be the reward.

4. I have been waiting for the days of corporate worship. I have a people who have worshiped Me in an intimacy and have known the sweetness of the exchange of our love—Mine to you and your love to Me. I have a people who have known the drenching of My Spirit in these places of our love. I am taking this and moving it into the place of corporate worship.

5. I am taking My people into the place of corporate intimacy with Me, where My love is poured over you and through you and around you, and where your love is like a fountain, flowing in deep, deep love for Me. This is the place I have longed to share with My earthen treasure, My Body.

6. I will gather you as a family in My embrace, and great changes will take place as you are held by Me. It will be as if time is suspended, as if the exchange of our love will never end. It will be a time of great strengthening. I will do many things as you reach for Me as My family, for My grace will be an active part of these times with Me. It will be everything your hearts can hope for and much more.

7. Come, come and partake of Me, for there is a place in Me corporately where My love and your love flow freely and intimately. This place of worship is a place in Me where I embrace My family corporately. It is a place in Me of My love being showered on you corporately, as My family, and where you see things you are reaching for in Me. It is a place that is liberating. It is a place that is eye opening. It is a place in Me that is intimate and free. It is a place in Me for My family, a place which is holy and pure and laden with truth about Me and about who you are in Me.

8. The love that comes from Me—that is being explored in times with Me—is a river that has no end. There are places in My love to be explored that will unravel truth and will open doors for many to experience what they need, which is Me. I am wooing a people into My Presence who will take Me at My Word: That I am Truth. I am Love, and Love is Truth.

9. The hungers you often sense for Me are from the longings I have for more intimacy with you. The expectations that draw you are from the well of My love for you. The need for Me that seems to push everything else aside as “unimportant” is from the riches of My grace that draw you. I am the beginning and end of all that pertains to you, and it is well pleasing to Me when you respond to the grace that draws you. My grace is as My wealth and riches to you, for it is the strength that sustains you and the strength that moves you forward into all that has been given to you in Me.

10. Every treasure of My love is for you. You cannot want My arms around you too much. You cannot want My embrace to last too long. Every moment you drink of My love is as miraculous as the opening of eyes that don't see, for in the moments of My love, you move past the limitations of this world and see truth that is in Me. As I continue to drench your very being with Me, you will see what is truth, and that is Me.

11. I come again and again and again, because you come to Me again and again and again, you will experience My heart for you in ways that will catapult you into peace and rest and believing—this is where you belong. My rest is your inheritance, and you are the resting place of My love, and My love is your resting place. The joy you behold in My love will transform you. The supreme pleasure I have in you will forever change you, and you will find your strength greatly heightened in My love.

12. Fight the good fight of faith into more and more of My love, letting Me love you as you love Me, and together we will enjoy the depths that are in Me, as a family.
