

The Transition to Power • Bronc Flint

1. Don't default to your strength
2. Ask Him for visitations and times of His Presence. Ask for the bread from Heaven to deliver to the world. Based on Luke 11:1-13
3. Make Jesus and the Holy Spirit real.
4. Use Hope! Bronc sees—not physically—Jesus sitting about six feet away on the couch. He is using godly hope. He is choosing to believe Jesus is present when He worships.
5. Don't force anything.
6. Realize the reality of the Holy Spirit living in your physical body. We have Deity living inside of us. 1 Cor 6:19,
