

## **The Lord's Present-Day Speaking**

### **There Is a Well That Runs Deep**

Go ahead and enter in. Go ahead and enter in to the place of My Spirit, for there is a well that runs deep, deeper than most have even known of. There is water available that most of My people have yet to taste. For My desire is to bring you into the deep places of My Spirit, for you have hungered and you have thirsted, and in some ways, you have been satisfied. But I speak now to those who continue to hunger and continue to thirst and will not be quenched with what they have received so far.

For there are some whose thirst is already quenched, and they are satisfied with where they are. They are no less righteous, but there are those who are hungry and thirsty for the deeper things of My Spirit, and I say to you this day, Come and drink. Come into those secret places and allow Me to pour you out a drink of water. Taste and see that the Lord is Good. Taste and see that what I have reserved for you is good.

I have not reserved it in the way that the world might think. I have not kept from you. I have not tried to hide it, but there are those who have decided that they want it enough that you will go after it, digging past deception and digging past what the world has piled on as religion and a form of godliness. But I say to you, if you are willing, dig on. Continue to dig. Continue to dig deep. Continue to follow after the instructions of My Spirit.

Just as a man goes out to dig a well, there is a time in which he reaches the water and it fills up, and I say to you this day that you are very close to that point. Continue to dig in. Continue to dig deep. Continue to set aside the things of the world and make arrangements in your life for Me. Continue to make a place for Me, for I will not disappoint you.

Continue to make a place in your heart and a place in your life for My Spirit to move, for My Spirit to reside with you, for My Spirit to have control in your life, and you will not be disappointed. For there are coming times of refreshing. There are coming times of anointing. There are coming times of the miraculous. But once again I say, these are not the things to be satisfied with. But continue to go deeper, for I desire a people who will fellowship with Me at a level that is beyond the carnal understanding.

I hear the Lord saying, I desire to fellowship with you in the Spirit, which is a place that most have not understood or experienced. For man has said, "This is the Spirit," and it was not. Many have said, "I've found the Spirit," and they have not. But I say to you, continue to dig deep.

Continue to follow Me. Continue to be compelled by the anointing and by the spirit that is within you, and you will find that place that I have designed that is meant to be only for you and for Me—a place of intimacy. A place where I can fellowship with you as I did with Adam. A place where I can talk to you the way I did with Adam. A place where we can know one another and I can have My desires fulfilled and you can have yours. For there has been much talk of this place, and there have been many men who have boasted that they have entered in, but the truth is few have even been willing to sacrifice enough of themselves to taste and see what I have to offer. So I speak to those who are willing.

You say, "I'll give up my life," and I say to you, I believe you. Come, give up your life. Receive what is Mine. Receive from that which I have for you, and you will see that you will not be disappointed. You can believe the words that I say, for I do not lie, and I make good on the promises that I give to My children. So once again I speak to you, to those who are willing: Come. Come. Continue. Continue to listen on the inside.

Do not grow weary in well doing, but understand, refreshing is coming. Even now, even right this moment, receive from My Spirit. Receive a refreshing. Receive a grace to enter in. Receive a grace to take a sip and to taste what the next level is that I have for you. For I am able to serve at all levels, and if you will decide today that you want more, I will allow you to taste of the next level. Then it will be up to you to make the decision to follow it, to follow through, to walk after the spirit. And you will see that I will help you every step of the way.

I will be with you. I will encourage you. I will strengthen you. So choose today. Choose to continue to dig deeper into the well of My Spirit and find that which I have for you.

**Hebrews 11:6** But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.

**Mark 12:30** And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment.

**1 Chronicles 16:11** Seek the LORD and his strength, seek his face continually.

### **In the Quiet Times, I Am Working**

Do not miss what I am doing says, the Lord, in the quiet times and in the things that seem insignificant. Do not miss what I am doing, for I am working in the realms of the Spirit and bringing forth supernatural things. Even in a time like this where things are quiet around you and where there is no apparent manifestations [of the Spirit], realize that I am working, and I will work on the inner man in a way that oftentimes cannot be seen.

If you will allow Me and you will wait on Me, I will come, and you can expect that I am doing a work even when it does not feel like it. Even when it does not look like it, even when you cannot see it, even when you cannot feel it, even when you cannot hear it, even though those around you will tell you nothing is happening, understand that as you wait on Me, I am coming with My Spirit, and I come to fellowship with you. And there is no man who has ever been with Me who has regretted the time that he has spent. So trust Me. It is worth it to wait in My Presence.

The outer man desires a show, and the outer man desires to see something that would indicate that there has been a change, but if you will wait on Me, you will see that I will come in such a way that even the outer man one day will have to say, "This is not what I expected." But you will see that which I will bring from out of that time of fellowship will sustain you in the days ahead.

For in the quiet times and in the times that are even silent in My Presence, I am working. And I am providing nourishment to you, a peace—a peace that passes all understanding—that you will be able to draw upon in the days of trouble. You will be able to draw from that place where you waited with Me so that I can bring it up out of your spirit in the days of darkness, the days of difficulty.

For as you know and as you have been told already, there is darkness coming, but know that I will keep you. I will keep you in My peace, and I will provide for you wisdom in the darkest hours so that you will be able to shine even brighter. And you will see that My Church will arise, those whom I have called and those whom I have chosen and those who have heard, they will arise even in the midst of darkness and shine even brighter, even brighter. So stay with Me. Come away with Me. Schedule even more time to be in My Presence. In times of prayer, in times of waiting, in times of fasting—come be with Me.

**Philippians 2:13** For it is God which worketh in you both to will and to do of his good pleasure.

**Psalms 23:2** He maketh me to lie down in green pastures: he leadeth me beside the still waters.

**Isaiah 26:3** Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee.
